
In this our fourth year of marketing with daffodils, we wish to thank our customers for their orders and favorable letters in regard to the quality of the bulbs they received.

It is well into February, and winter is still upon us here in Oregon, with eight inches of snow blanketing the daffodil field. But as the snow disappears, we will be anxiously awaiting the show of blooms.

Some of our prices we have reduced this year as the stock increased. Once again we are offering the popular "Orphan Mix", twenty-five bulbs for $15.50. Due to the weight of this mix, it is necessary that we charge $3.50 for postage and handling. All other prices include postage and insurance, except for the overseas orders. A minimum order of $10.00 is required.

We want to thank you for your past orders and words of encouragement. We look forward to seeing many of you at the ADS convention in Portlland, Oregon, 1994.

May your Spring be filled with beautiful flowers.

Ronald & Sandy Evans
