SWODS NEWS

SOUTHWESTERN OHIO DAFFODIL SOCIETY

Spring Meeting, June 10, 1989

The SWODS spring meeting will be Saturday, June 10, 1989 at the Cox Arboretum at 10:45 a.m. A map is included in this flier.

The business meeting will be presided over by Leone Low and Evadene Holyoke and will begin at 11 a.m. The major topic of business will be the April 14, 1990 SWODS spring daffodil show at the Wegerzyn Horticultural Center in Dayton (usual site). Unless there is violent opposition, the show title/theme will be *Daffodils Divine.*

Summer Membership Campaign

This will be followed by announcements by Shirley Sadler regarding the membership campaign. We will meet at the Sadler home on Sunday, August 13 at 2 p.m. We should bring potential new members, bathing suits, and bulbs for the 1989 season bulb exchange.

1990 Challenge Bulb

The June 10 meeting will include an announcement about the 1990 SWODS Challenge Bulb.

Announcements

At the June meeting there will be (an envious) announcement of the winners at the 1989 SWODS show. There will also be an announcement of the Midwest Region October 7 meeting and bulb exchange at Cox Arboretum by Peg Newill. There will, of course, be secretary's and treasurer's reports, committee reports, and any necessary new business.

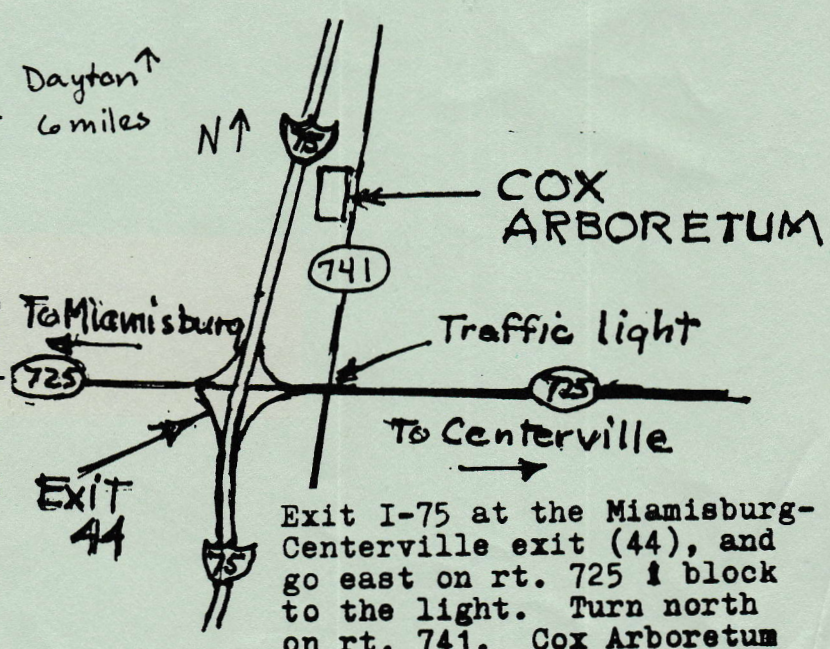
Luncheon

A potluck luncheon will close the business part of the June meeting. While one person secretly hopes that EVERYONE WILL BRING A CHOCOLATE DESSERT, others suggest that you communicate with nearby friends who are coming, and each such subgroup try to "balance the meal."

June 10 Program

The afternoon program continues the show theme. Mary Lou Gripshover, Executive Director of the American Daffodil Society, will tell some of her secrets so that we too can all be show winners. The title of her talk will be *Showing Daffodils.*

Cox Arboretum has many lovely plant displays, including hostas, clematis arbors, and rock gardens, so try to allow some additional time to enjoy them.



Exit I-75 at the Miamisburg-Centerville exit (44), and go east on rt. 725 1 block to the light. Turn north on rt. 741. Cox Arboretum is about a mile ahead on the left.
