GENERAL RULES

1. Entries may be made Saturday, April 8 from 7:30 A.M. to 10 A.M. All exhibitors must be off the floor by 10:00 A.M. THIS RULE WILL BE STRICTLY ENFORCED.
2. Entry cards for exhibits will be available at the show and may also be obtained in advance from the show chairman, Fredrica Lawlor, 513-473-8321. Do not fill in the bottom portion of card. Name stickers or rubber stamps are helpful.
3. **Entries, awards, and ribbons may not be removed until 4:00 P.M. Sunday.**

RULES FOR HORTICULTURAL EXHIBITS

ENTRIES

- All Classes are open to anyone who grows daffodils except where specified otherwise.
- Any information on an entry tag which could compromise the anonymity of the exhibitor must be concealed during judging.
- An exhibitor may make as many entries as desired in any Class provided each entry is a different cultivar or species or an entirely different collection of cultivars and/or species.
- All blooms in the Horticultural Division must have been grown in the open by the exhibitor. Miniatures and daffodils grown and shown in their containers may be grown in protected areas.
- Wedging material and containers for cut flower exhibits will be furnished by the show committee. Except for daffodils grown and shown in their containers, no daffodil foliage is permitted.
- All collections of five or more stems must be exhibited with each cultivar or species in a separate container.

LABELING

- Each cultivar or species must be correctly labeled with name and Division number. Originator's name must appear on the label in American bred Classes except seedlings shown by the originator. Note additional labeling requirements in schedule.
- Exhibits that are not named or incorrectly named will not be judged. Correct classification and labeling shall be the responsibility of the exhibitor.
- No label may be changed, specimen added, removed, altered, or substituted after judging has begun or after an award has been placed.

INTERMEDIATES, MINIATURES, AND SEEDLINGS

- An intermediate daffodil is a standard daffodil in Divisions 1, 2, 3, 4, 11, or 12 having a single floret whose diameter is typically between 1.5 and 3 inches. Intermediate daffodils may be entered in Classes for standard daffodils as well as Classes reserved for intermediate daffodils.
- Miniature daffodils may be shown only in Classes for miniatures. A miniature daffodil is any cultivar or species on the current ADS Approved List of Miniatures, with any official additions thereto. Also, any named or numbered daffodil which appears graceful, with all its parts proportionately small, may be exhibited in Miniature Classes and is eligible for all ADS awards, except that only numbered seedlings shown by the originator are eligible for the ADS Miniature Rose Ribbon. The judges may decline to judge any exhibit containing an unapproved miniature that they consider too large for these Classes.
- Blooms of seedlings may be exhibited in all Classes for named cultivars. **ALL SEEDLINGS MUST BE IDENTIFIED BY A NUMBER DESIGNATION ASSIGNED BY THE NUMBER DESIGNATION ASSIGNED BY THE ORIGINATOR.** If the exhibitor is not the originator, the name of the originator must be included as part of the identification.
- Each stem in an exhibit of cut flowers receiving an ADS Award must score 90 or more on the appropriate ADS Scale of Points.
- Only one first, one second, and one third award may be given in each class. Honorable mention awards may also be given if merited but only if first, second, and third have been awarded. First, second, third, and honorable mention awards may be withheld by the judges if in their opinion the exhibit is not worthy. If a blue ribbon (first place) has been awarded in a class eligible for an ADS ribbon, the ADS Award may not be withheld.
- Any report of an error shall be directed to the Show Chair, who will refer it to the panel of judges responsible for the award. If the judges are unavailable, the Show Chair shall make the final decision as to the validity of the reported error.
- The decision of the judges is final. If an error is discovered in an exhibit after completion of judging, any award placed thereon (ADS, Special, or Ribbon) shall be forfeited by the exhibitor. If an error is discovered before the judging is completed, the class must be rejudged.

MISCELLANEOUS

- The Show Committee reserves the right to subdivide classes by cultivar or color code when there are three or more worthy exhibits of the same cultivar or color code and if a sufficient number of worthy exhibits is left in the class. Species may be subdivided by their botanical sections.
- The Royal Horticultural Society System of Classification will be used. The labeling authority is Daffodils to Show and Grow as amended each year in the December ADS **Daffodil Journal** or ADS **Daffseek**.

SCHEDULE OF CLASSES

(Classes/Divisions may be subdivided per Rule 19)

Standard Daffodils

- Class 1** Division 1, Single stem standard bloom, Trumpet Daffodil Cultivars
