Date : May 2, 2017

All

Well, we have finally reached the end of my show photos for all the shows that I visited this year in the midwest of the country as well as convention in Sacramento California.

I made plans to take vacation days to visit a record 10 shows which involved the convention show as well as 9 others in the southern and midwest regions of the country.

Sadly, a few shows were cancelled and I had to miss 1 due to things beyond my control. So, in the end, I made it to 6 shows and was able to get photos of the winners and some not often shown flowers for all of you to see.

This brings us to the final show at Joe Hamms place in Washington PA. It was such a nice surprise to see Mitch & Kate Carney as well as the Ezell team! A great time for everyone. One of the highlights for me was a cultivar of "Enchanted Elf" which I've heard of but never known such a green eye in any specimen of ANY daffodil. It was a shocking beauty for sure!

Photos below.

it's so sad to see the season come to a close. One of these years, I'll make it to the Minnesota show!

God bless you all.

The Best in Show, Apache Cheif,Bust Shot, exhibited by Richard Ezell.

The Best in Show, Apache Cheif, exhibited by Richard Ezell.

The standard white ribbon winner. Carib Gipsy, exhibited by Richard Ezell.

A nice Blue Ribbon Winner - Fairy Footsteps. I've always heard of this cultivar over the years, but never have known a great example of it till this specimen. Exhibited by Richard Ezell.

The mini Gold ribbon winner. Baby Moon, by Naomi Liggett.

The Mini White Ribbon winner. Baby Moon, by Naomi Liggett.

The Mini Rose ribbon winner for the best mini seedling in show. Exhibited by Kate and Mitch Carney.

intermediate single pewee exhibited by joe hamm
