Good Morning All!

I realized that I didn't post these photos yet. Sorry to be late.

The Fall Forum was held in Cincinnati at the Crown Plaza Hotel in suburb of Blue Ash. Those you who are active on Facebook have already observed this post on that social media site.

All the winners here are described with name and/or seedling number in the file name of the photo excluding collections of 5 or larger. Most of the collections of minis except the mini white were exhibited by Harold Koopowitz, Steve Hampson, and Marilyn Howe collectively. They are referred to as K.H.H.in in the comments of each photo.

The winner of the Silver piggy was Mitch and Kate Carney. :-)
