

2018 East Tennessee Daffodil Society Show

Author : Tom Stettner, Ohio

Categories : [Show Results](#), [Shows](#)

Date : April 15, 2018

Hello my fellow enthusiasts! The East Tennessee Daffodil Society Show was held in the local 1st United Methodist Church of Maryville Tennessee. Usually held in Knoxville at the University of Tennessee, this year it seems there seemed to have been a mix up at the school and the show needed to move, so they had a 1 day show at Maryville's Methodist Church. 1 day shows are sad because it's so much work to put on, then to take down right away at the end of the day.

Because the season was so very slow to start, there were not as many blooms as expected, but visitors from other parts of the south and mid south brought there's and it turned out to be a nice show.

Photos below. The next posting will be my version of the Convention photos, then onto the Indiana Daffodil Society show 2 days ago, then our local SWODS show here in Cincinnati yesterday. I have 2 more shows to visit after this and it will take quite a bit of time to edit these photos before I can post to both Facebook and Daffnet.

Onward Springtime!

The Best in Show, which was also the best Intermediate single stem was "Scarlet Tanager" taken from the winning Bozie collection, exhibited by Lynn Lawson Ladd.

The Standard White Ribbon Winner was a very nice 3 stem collection of Demmo, exhibited by Mike & Lisa Kuduk

The mini white and Gold ribbons were this collection of Minnow exhibited by Mike & Lisa Kuduk. the top stem was the mini gold as best mini in show.
