Advance Bulb List for Fall 1974

To all our gardening friends we offer this, our 1974 selection of the WORLD'S FINEST SPRING-FLOWERING BULBS for fall planting. Over twelve hundred varieties have just completed their blooming season here in our trial gardens. The best we have chosen for this list. We have capitalized the names of some we wish especially to call to your attention.

Many new varieties we tried and liked are included in this list. Among them are the strikingly beautiful Cottage Tulips, Galaxy and Serbet, and among the daffodils are the rich gold trumpet Arctic Gold and the vivid cherry-centered Small-cup Johannes Beyer.

Remember this is an ADVANCE LIST. We can stock only a small fraction of this offering for fall buyers. So to avoid disappointment send in your order as soon as possible after receiving this list.
