The Minimum collection we ship comprises 50 blooms and costs $12.00. NOVELTY BOXES

Due to increasingly poor Parcel Post service, we have for the past several years, insured our famous Novelty Boxes of Fresh Blooms against delay in delivery, thus protecting our customers as well as ourselves from loss due to the delay factor. However, to avoid the disappointment of boxes not arriving at a specified time — particularly with the week-end and holiday laxity of the mails — we ask that you allow us to ship at our discretion and not for arrival at any stipulated time. Then we also reserve the right to ship those to distant or hard to reach points via AIR MAIL and bill you for the extra cost of same. The 12 dozen (144) blooms of 12 different and unusual varieties are picked in our fields one day and shipped Special Delivery, should reach you the next, in all their pristine glory. Our shipping season is around mid-March through mid-April.

NOVELTY BOXES, Special Delivery Parcel Post Prepaid $5.50

NAMED COLLECTIONS

NAMED COLLECTIONS—Yearly the demand is greater for boxes of Named Blooms—often customers place an order for one of these each week during the flowering season and thus are enabled not only to have lovely flowers for arrangements but especially to have a succession of blooms from which to order their bulbs for fall planting. 6 BLOOMS each of 24 VARIETIES, correctly labeled (144 flowers in all) are in these named collections. As stated above re NOVELTY BOXES please allow us to send these at our discretion, also to use our judgement as to the advisability of Air Mail (for which we will bill you extra).

OUR INFORMATIVE CLASSIFIED LIST

World's Finest Blue Ribbon Daffodils
And Popular Older Types
1956

Herein are offered 833 varieties of Daffodils including

WORLD FAMOUS SHOW VARIETIES
ALL THE POPULAR TYPES
122 MINIATURES AND ROCKERY KINDS
MIXTURES WITHOUT EQUAL
ANCIENT ITEMS FOR COLLECTORS
and
THOSE MOST SUITABLE FOR NATURALIZING.

These above are all grown at our farm, the result of over 35 years of untiring effort on the part of the Grower, GEORGE HEATH, who, for his own interest and satisfaction and his customer's benefit has maintained a TEST GARDEN for all these years, trying out all the new varieties, retaining or discarding them according to their merits, searching out those hard to find and rare old varieties and offering the public the LARGEST LISTING OF DAFFODILS AVAILABLE, as well as TOP QUALITY and GUARANTEED TRUE TO NAME BULBS.

Our shipping season starts shortly after September 15th by which time the fall inspection of bulbs by the State Board of Entomology has been made. Our bulbs are inspected twice yearly by these experts, thus enabling us to offer you bulbs guaranteed free from disease. Please do not delay ordering until too late. We offer a 5% discount in BULBS on all orders received before August 1st. It is advisable to order in the spring when the blooms are fresh in your mind and thus give us a chance to dig any that we might not be planning to lift this year unless for special orders. We dig half our stocks yearly. Planting instructions will be sent with your order. Again — PLEASE DON'T DELAY — order NOW if possible, or as soon as possible. For best results, your bulbs should be planted early and ours MUST be replanted in November. We welcome those able to come to see our flowers in bloom and suggest mid-March thru mid-April and we also suggest your trying to see one of our many Shows and Exhibits throughout the country.

Prices, as listed, are per bulb and are for top sized, double-nosed. Do not be led astray by cheap offers which are invariably for small, inferior bulbs. On quantity purchases allow the following discounts: 12 bulbs of a variety for the price of 10; 50 bulbs for the price of 40; and 100 for the price of 70. Write for quotations on larger quantities, also SPECIAL GARDEN CLUB discounts. In this unique business, where the price of bulbs goes down but the cost of labor, shipping materials, transportation as well as Parcel Post continues to soar, we find it necessary to make a charge of **50¢ east of the Mississippi, $1.00 west of same** to assist us to defray such expenses. Check with order please, or if desired, they will be sent C. O. D.

MIXTURES

SPECIAL NOVELTY — An unexcelled mixture containing over 500 of the truly distinctive varieties listed in this folder. By the law of averages you should get 40 to 50 and can get up to 100 varieties in 100 bulbs. Planted in a cutting bed they will give ample and diversified blooms for the home over a long period each spring. Each year we discard around 100 varieties to make room for new and improved types. These discards are added to our NOVELTY MIXED which is in a class to itself for those not interested in name varieties, yet who desire fine and unusual flowers over an extended period each spring. ACTUALLY WORTH DOUBLE THE PRICE ..... **$8.00 for 100**

SUPER NOVELTY — Guaranteed to contain 1 bulb each of 100 Novelty types ..... **$12.50 for 100**

NATURALIZING — Only varieties which are adaptable to compete with nature in the wild state. Mixed - White - or Yellow ..... **$5.50 for 100**

PLEASE DO NOT FORGET TO INCLUDE 50¢ EAST OF MISSISSIPPI, $1.00 WEST TO HELP DEFRAY HIGH COST OF PACKING AND SHIPPING.

DAFFODILS ON PARADE & BUSHEL BARGAINS

After digging and sorting our bulbs each year, we publish a small descriptive leaflet of those varieties lifted, as well as a list of surplus stocks which we are able to offer at a great discount in Bushel lots. Included, too, are several Collections for Beginners as well as for Experts, and a most comprehensive list of Naturalizing varieties at greatly reduced rates. This list, "Daffodils On Parade," is sent to all our regular customers as well as all those who have written in for this Blue List. However, if you are not in either of the aobve categories, please write us and we will gladly send you one.

AMERICAN DAFFODIL SOCIETY

Join the American Daffodil Society and enjoy the fellowship, bulletins and progress of the Daffodil lovers of this country. The society's objectives are directed to the great numbers of amateur growers but are also designed to include the commercial and professional interests. Write for membership applications and information to: MRS. WILLIAM A. BRIDGES, Treasurer, 10 Othro Ridge Road, Towson, Maryland. As a member of the Board of Directors, George Heath urges his many Daffodil minded customers and friends to take an active part in this most worth while Society.

LABELS FOR DAFFODIL PLANTINGS

We have what we consider the IDEAL label. The 3½ by 1 inch zinc name plate has four holes through which the two 12 inch aluminum legs are inserted. The name plate can never come loose and if names are written on with weather-proof pencil, they will remain legible for at least 2 years. Price per dozen, postpaid **$1.50** — per 100, **$8.00**.
