Daffodils & Narcissi

Easter Pots

①	Early	Varieties forced as cutflower
②	Medium	
③	Late	

■ Picture available

The Springflower "par excellence". No other flower represents so well the spirit of Spring. Very popular for the garden, splendid for cutting and forced in large quantities the Daffodils have an important place in the world of bulbs. For naturalizing, planting in woodlands, no flowers are as popular as the Daffodils and Narcissi.

Yellow Trumpets

		p. 1000
