*Narcissi are outstanding in the Spring-garden
but also very useful as cutflowers*

Daffodils and Narcissi

The Spring-flower "par excellence". No other flower depicts so well the spirit of Spring.

Very popular for gardening, splendid for cutting, and forced in large quantities, the Daffodils have an important place in the world of bulbs.

For wild-gardening or naturalizing, planting in woodlands, no flower is so popular as the Daffodil and Narcissus.
