#### 1983 Introductions

-Alinga 4W-WY  
(127-5)  
(H. Cross)

Bred Rhana x Kimellen; RHS Colour Chart shows Perianth 157D and Petaloids 6C. The white petals have plenty of competition from the full lemon petals. The flower is well posed and has a fairly short neck. It measures approx 100 mm across. Champion Double at Sheffield 1982.

-Amora 4W-WP  
(69-4)  
(H. Cross)

Breeding not recorded. A very neat attractive flower which has a short neck and is well posed on a good stem. The flower opens with clean white pointed petals and yellow petaloids with pink tones. As the flower ages the pink colour soon becomes dominant.

-Inara 4W-WY  
(114-4)  
(H. Cross)

Bred Irish Minstrel x White Lion, R.H.S. Colour Chart shows Perianth 157C Petaloids 5C. A well posed flower measuring about 100 mm across with a strong neck and very strong stem. The clean white petals are interspersed with pale lemon petaloids.

-Koromo 1Y-Y  
(23-5)  
(H. Cross)

Bred Chillion x Warbin this flower is a model of consistency. It has a very full, smooth, flat perianth and is well posed on a strong stem. The trumpet is very frilly but does not grab or tear the petals. If you like a frilly cup then this one would have to be on your shopping list.

-Kumbra 4W-Y  
(112-5)  
(H. Cross)

Bred Kilpa X Glowing Red. A bold flower whose white petals are interspersed with very attractive apricot-yellow petaloids.

-Melbil 3W-WWR  
(130-5)  
(H. Cross)

Bred Marilyn x Estrella this is a very definite 3B measuring 105 mm across with petals 45mm long and a frilly cup only 7 mm long. The flower has a brilliant red edge and has a very strong stem. It was Champion Small Cup, Whitemore 1980.

Descriptive List.

- Arab Pasha (T.Piper) 2 Y-R bred Bahrein x Sparks - flat perianth of good colour; well proportioned cup; a good show flower that comes out when most in this class are past their best.
- Collarosa 11 W-P white perianth, collar pink merging to white, light yellow centre, medium tall.
- Craig (R.Glover) 1 Y-Y bred Melissa x Mblong - one of the very best in this class; smooth, flat perianth; well proportioned cup with light frill; winner of numerous championships including Australian Champion 1976.
- Dear Me (T.Piper) 2 W-P bred Nina x Keera-Bon Rose; pure white perianth of good substance; beautiful pink cup which is nicely shaped with a slight flare; very good show flower, pollen parent and seed parent.
- Dream Prince (R.Glover) 2 Y-Y bred Ardagh x Yappa; round, flat, overlapping perianth; fairly straight cup; strongly recommended for breeding. Withdrawn for increase
- Elgaman (H.Cross) 2 W-P bred Accent x Verran; smooth, white perianth; solid pink cup; champion pink Launceston 1979. Withdrawn for increase
- Emblaze (R.Glover) 2 Y-R bred Ceylon x Vulcan; smooth perianth of very good colour; strong colour in cup; useful as show flower and for breeding.
- Fair Prospect 2W-P considered by many to be one of the two best pinks raised by Richardsons; smooth white perianth with soft coral pink cup.
- Flash Affair (R.Glover) 2 W-Y bred Easter Moon x Lady Slim; pure white perianth of good substance and perfectly flat; clear yellow cup of excellent shape and proportions; winner of many awards including Grand Champion Deloraine 1979; possibly the best in its class in the world today. Withdrawn for increase

		Pink Camellia	(H.Cross) 4 W-WP bred Ardane x Glowing Red; an eye-catching very full flower. Withdrawn for increase
Formidable	(R.Glover) 2 Y-Y bred Jobi x Melissa; smooth perianth of good substance and colour; well proportioned cup with slight roll; good show flower and very useful for breeding.	RW 2/218	A Wootton seedling bred Fortune Sun x Ceylon, almost sunproof; should do well as a source of fresh blood.
Future	(R.Glover) 2 Y-Y bred Noble Prince x Goldscript; flat perianth of good substance and colour; Classic cup; good show flower and excellent parent.	Sarn	(H.Cross) 2 W-P bred Cathlin x Rose Royale; solid pink cup with moderate flair; strong, short neck; good show flower. Withdrawn for increase
Glen Tana	(R.Glover) 1 Y-Y bred Ardagh x Melissa; good colour; very smooth perianth; fairly straight cup; useful show flower; Champion Trumpet Whitemore 1974.	Tambora	(H.Cross) 2 Y-R bred Bisdee sdlg x Cross sdlg; early; good yellow, smooth perianth; bright cup; Champion Large cup Hobart 1980.
Holiday Inn	11 W-Y creamy perianth, flat deep-yellow collar large flower.	Tiritomba	11 Y-0 deep scarlet reflexed collar on a golden yellow perianth, tall, early - another outstanding division 11 flower.
Ida May	(R.Glover) 2 W-OR bred Arbar x Old Faithful; large, pure white overlapping perianth; flattish cup varying from orange to red; winner of many awards; pick when fresh.	Vain	(R.Glover) 3 W-R bred Marilyn x Estrella; white flat perianth; cup has bright red wire rim; winner of several championships.
Mondragon	11 Y-0 golden yellow perianth, deep orange collar; an outstanding division 11 flower.	Velvet Prince	(R.Glover) 2 Y-Y; good smooth perianth of good substance; well proportioned cup.
My Fortune	(R.Glover) 2 Y-Y bred Noble Prince x Future; smooth perianth of good substance; well proportioned cup; useful show flower.	WOB 69/2	no showflower because of its perianth but a flaming great vermilion cup of near trumpet proportions makes it a centre of attraction in any garden.
Omaru	(R.Glover) 2 Y-Y bred Noble Prince x Jobi; not a large flower but very smooth perianth with fairly straight cup.	Yuen	(H.Cross) 2 W-L bred Evenlode x White Lion; full round perianth; pleasant cup; Champion Large Cup Whitemore 1977; Reserve Champion Sheffield 1978.
Pacific Lady	(R.Glover) 2 W-L bred Arbar x Green Island; a fairly large flower for this class; good overlapping perianth; fairly flat cup shades from lemon to orange; very good show flower; Champion Seedling Deloraine 1977; Grand Champion Sheffield 1977		
Patricia	2 W-R another of the very good flowers raised by Ross Glover.
