

## HOKORAWA DAFFODILS

R.D.13  
FOXTON  
NEW ZEALAND  
R.G. & R CULL

September 1996

We have produced this list comprising of cultivars bred here at Hokorawa, to give our overseas visitors the opportunity to purchase 100% Kiwi cultivars.

We hold most of the stocks of these cultivars and the price is NZ dollars all inclusive of inspection fees, postage etc. Two of the late Mr S.A. Free's outstanding cultivars are also included.

**Showtime** 2YY1-2 R.G. Cull - Smooth Gold X

Our first successful seedling. Champion seedling Gisborne.  
Smooth deep gold, strong grower, a must for early shows.

\$35.00

*#* **Kiwi Gold** 2YY 2-3 R.G. Cull Showtime X

Large yellow flower, smooth broad perianth. Quality.

\$50.00

*#* **Kiwi Mist** 1WW 2-3 R.G. Cull Early Mist X

Large outstanding trumpet, pure white, pointed perianth. The trumpet develops a delightful roll that does not split.

\$200.00

**Desert Dream** 1YY 2-3 R.G. Cull

Smooth self yellow with a long trumpet finished with a nice flare.

\$30.00

**Bay Pink** 2WP 2-3 R.G. Cull

Strong bold flower, large rose red pink cup, the most attractive pink We have ever seen.  
Slow increaser, an absolute gem in the garden.

\$75.00

**Suffragette** 3WYYO 2-3 R.G. Cull Dresden X

One of our most successful seedlings it has been shown throughout the country with many champions to its name. A strong grower, multiplies like a weed and you will show almost every flower. Consistent plus.

\$40.00

**Tooth Fairy** 3WWO 3-4 R.G. Cull

Large smooth flower with an orange band on the cup. Will always produce some show flowers.

\$25.00

**Twelve Gauge** 2YW 3-4 R.G. Cull

A reverse bicoulor of outstanding quality, clean cut no frills, the cup is long and straight like the barrel of a shotgun. Very few to offer. \$120.00

**Cool Charm** 3WY 3-4 R.G. Cull

This delightful small cup has slightly reflex perianth with a flat cup. Comes good every year. \$75.00

**Ann Carter** 2WRR 3-4 R.G. Cull

This stiff wax like flower is of the purest white. The blood red goblet cup is the best contrast we have seen. There is a hint of yellow at the base of the cup. This is a breeding breakthrough in shape and colour and it's first seedlings have produced a startling colour combination. We are still exploring its capabilities. \$150.00

**Hokorawa** 2YYR 3-4 R.G. Cull Filmqueen X

This is the jewel in our crown. We think enough of it to give it our name. Champion seedling 2YR and champion of champions at the National 1994. The stock is small but appears consistent. We have not yet seen a poor flower. We think this one will go the distance and be winning for many years yet. \$500.00

**Whippersnapper** 2WY 3-4 R.G. Cull ((intermediate)

A little beauty. Shows well with a giant constitution. Stands all weather on a strong stem and would make a wonderful garden plant. \$30.00

**Cracker** 2YRR 2-3 (Intermediate) R.G. Cull

Very strong colour and delight in pots. Not a division 6 that grew too big for its boots! \$35.00

**Rufus** 6YR 2-3 J Tomlinson Charity May x Falstaff

It is hoped this lovely little flower will be accepted as an intermediate where we are sure it will be very happy and do well. \$25.00

**Airline** 3WYO 2-3 S.A. Free

A perfect small cup, round smooth and consistent. \$50.00

**Springfling** 2YRR 2-3 A.M. S.A. Free Pillarbox X

This colourful large flower with a saucer flat orange cup that soon passes to deep red. The beautiful flower happy to go to the show and a great garden companion as well. Has done well with us for many years and we offer to share it with you. \$25.00
