No substitutions of varieties will be made.

The seller warrants the goods to be of the best quality, sound and healthy at the time of shipment, but does not otherwise warrant flowering-, growing- and other results.

---

(not for U.S.A. Introduction Offer) :

All bulbs are sold ex-seller's warehouse -Holland- and travel throughout at buyer's risk and expense.

The costs of packing, Netherland's phytopathological inspection, together with costs for freight, forwarding, insurance and import-charges are for buyer's account.

Unless otherwise instructed, the seller will arrange for transportation and for ordinary insurance-coverage to destination.

PAYMENT of the total bulb-amount by check enclosed with order, to be sent by AIRMAIL.

The costs for packing and freight to be paid later-on on receipt of our bill to be mailed to you as soon as the bulbs have been dispatched.

We offer you a DISCOUNT of 3% for orders to be sent to us before 1 July.

---

For the U. S. A. :

Before we used to send our parcels, separately from Holland by mail. Because of new U.S. custom-orders and -forms, this has become too intricate for us.

Therefore now all orders will be shipped in group from Holland to an U.S. harbor and after being cleared, forwarded from there in the best way to your address. The costs are the same as by surface mail, but it will be more sure and quicker.
