## New Introductions 1996

<b>Cuckmere</b>	1 W-W Large pure white flower with broad ace of spades perianth and long slender trumpet ending in a neat flange which is evenly serrated. Very consistent in producing show quality blooms. In winning 12 Seedlings R.H.S. Competition 1990 and in Engleheart Cup 1993. Seedling No 2.19.80	(Panache X White Star)	Late Season	Only 2 or 3 to go Price £25.00
<b>Glynde</b>	2 W-WWP A fine non-predominant "pink" which has a broad rounded perianth of pure white waxy texture. The bowl shaped crown opens pale yellow with a sharply defined deep pink rim. After a few days the yellow fades to white which further enhances the pink rim. In my Engleheart Cup 1989 and 1995, Bourne Cup 1992. Seedling No 1.11.82	(Rainbow X Cherrygardens)	Mid Season	Price £25.00
<b>Hadlow Down</b>	1 Y-Y A beautifully proportioned deep yellow trumpet which flowers with the late red and whites and will be invaluable for exhibitors looking for a yellow trumpet to complete an exhibit in the late season. This flower has inherited the vigour and strength of "Camelot" together with the elegance of "Ballyrobert". Shown in my winning 12 Seedlings R.H.S. competition 1990 and in Richard Smales' Winning Bowles Cup 1993. Seedling No 2.1.79	(Camelot X Ballyrobert)	Late Season	Price £30.00
<b>Saxonbury</b>	2 Y-Y A superb large round flower of elegant proportion, nearly 120mm across and extremely consistent. It is not exaggerating to say that I have rarely had a less than perfect flower since it first bloomed and it does look like a genuine large cup. It was certainly the subject of much favourable comment when shown in my Engleheart Cup 1995. Seedling No 1.5.83	(Viking X Gold Convention)	Mid Season	Only 2 or 3 to go Price £35.00
<b>Wealden Fire</b>	2 Y-O A large broadly ovate perianth of vivid yellow which has a most attractive suffusion of orange, completed by cup shaped corona of deep orange red. Not a single bloom flower but very useful for adding something different to a collection class. Seedling No 2.3.79	(Bunclody X Drumrunic)	Mid Season	Price £15.00

Seedling No 1.17.80	(Achduart X Loch Stac)	Mid Season	Price £12.00
<b>Motts Mill</b>	2 Y-O Broadly ovate perianth of deepest gold surrounds a cup shaped corona, pale orange at the base turning to deep orange at the flanged and lobed rim. Seedling No 1.9.75	(Border Chief X Front Royal)	Early Mid Season	Withdrawn for increase
<b>Warbleton</b>	2 Y-YYO Large overlapping bluntly pointed perianth of deep gold, which makes an excellent foil for the cylindrical corona, yellow at the base turning to bright orange. Seedling No 1.4.78	(Vulcan X Loch Lundie)	Early Mid Season	Price £3.00
<b>Fairlight Glen</b>	2 W-YYO The sparkling white perianth highlights the clear yellow disc shaped corona, enhanced by a hint of green in the throat and underlined by the fine band of orange at the rim. <b>Southease</b>	2 W-GYY Large, well-poised flower that is best described as an improved "Irish Minstrel" with a sparkling sheen to the perianth that takes a little time to whiten. An attractive green eye enhances the flower. Single bloom winner at Solihull 1990 and R.H.S. Show 1993. In the winning 12 Seedlings R.H.S. Competition 1990. Rapid increaser. Seedling No 2.2.75	(Homage X Irish Minstrel)	Late Mid Season	Price £5.00
