## SWODS SHOW April 18-19 Cox Arboretum, Dayton, OH

What a strange season we're having. Flowers open way ahead of time. That just means that you need to bring everything you have to the SWODS show so we have a good display. We will also have to make up for the absence of a few of our members who will be on the tour to England and Ireland while we are at home holding down the fort, so to speak. So bring bunches of your own daffodils and come expecting to see cultivars exhibited that don't usually appear on our show tables--the late season flowers.

Details about the show are in the show schedule. Food will be furnished for all exhibitors and workers. If you want to bring some homemade goodies, they'll be welcome but they are not required. But bring as many daffodils as you can carry!

### DUES NOTICE

If the number at the top of your address label is 98, you are paid up. If it is less than 98, your dues are in arrears. If the number has a "P", you are a prospective member. You do not need to be a member of SWODS to

either come view the show or to come exhibit your daffodils in the show. All are welcome to this public event.

If you wish to bring your dues up to date or become a member, send the annual dues of \$5.00 to Liz Ragouzis, 425 Rawson Woods Lane, Cincinnati, OH 45220. Telephone: (513) 221-1166.

**QUESTIONS, QUESTIONS, QUESTIONS**  
**I**f you have any questions about SWODS, growing daffodils, or show details, feel free to call Bill Lee at (513) 752-8104. While Bill certainly does not have all the answers, he knows who does!

**AULT PARK FLOWER SHOW**  
**T**he Ault Park Flower Show will have two amateur flower competitions and daffodils are certainly most welcome additions to those competitions. The flowers are staged very much as they are in our daffodil shows, with each stem in a separate container and labeled. Entries are from 4 pm to 8 pm on Monday, April 21 and Thursday, April 24. Contact SWODS member Judy Mitchell at (513) 791-772 for more details.
