

We would like to recognize and acknowledge all of you who have contributed to a successful 1995 season for Bonnie Brae Gardens. However, success can be a double edged sword, in that due to the increased demand for some selections, it has been necessary to withdraw them for increase, and the prices of others may have been raised to reflect less availability. Otherwise, as promised, the prices have been reduced wherever possible. The Growers mix that we've offered the last two years are, by definition, surplus bulbs and will not be offered this year.

We are excited to have an opportunity this year to offer you some different varieties - real "show winners"! Early orders are best, as we do not like to disappoint you.

Please notify us immediately of any discrepancies in your order, so that we can remedy the situation as soon as possible.

We continue to personally participate in each phase of our business to assure quality, true to name bulbs. The longer we are in this 12 year venture, the more we learn.

We value your confidence in us and look forward to cultivating and enhancing old and new friendships.

Jeanie and Frank Driver

You are invited and encouraged to join the American Daffodil Society, the national organization devoted to our favorite flower. With membership you will receive the Daffodil journal, the quarterly publication considered to be one of the finest of its kind. Shared information, knowledge and the opportunity to meet other enthusiasts at local, national and international levels are other added benefits of membership. Plus, the A.D.S. now has a home page on the Internet world wide web at URL address: <http://www.mc.edu/~adswwww/> and an electronic Round Robin "Daffnet". There will also be an illustrated data base, available on floppy disks for Macintosh and Windows computers, details of which will be announced in April at the A.D.S. national meeting. New Offerings for 1996 (Prices reflect availability of stock)

- C1 Rising Star 7 W-P** (Pannill).....\$20.00
Though reluctant to rave about his own flowers, in Bill Pannill's
opinion, this flower is the best pink Jonquil on the market today.
Usually there are 2-4 florets per stem. It has a fine white perianth, with
a true pink cup. A good increaser and fragrant. (Midseason)
- C2 Yazz 7 W-P** (Pannill) (sib. of Rising Star).....\$15.00
This is a lovely flower, though not quite as refined as Rising Star. The
petals are creamy white with a pink cup. Several florets to a stem. A
good increaser and fragrant. (Midseason)
- C3 Fragrant Rose 2 W-GPP** (B. Duncan).....\$12.00
Smooth, flat white perianth of excellent substance. Vivid pink, goblet
shaped cup. A distinctive flower with a unique and special rose
fragrance. (Midseason)
- C4 Rim Ride 3 W-GYO** (Pannill) (Insufficient qty to offer this year).....
Round, very smooth white perianth; crown light yellow, with orange
rim. Seed and pollen are fertile. (Midseason)
- C5 n x odorous 10 Y-Y** (Wild hybrid-Nursery propagated).....\$4.00
Clear yellow, heavenly fragrance. (Midseason)
