DAFFODILS AND NARCISSI

For Naturalization

PACKED AND PRICED PER 100.

All of the following Daffodils and Narcissi are excellent for naturalizing. These valuable mixtures of strong double nosed and round bulbs consist of first class varieties which bring years of color to every garden.

Narcissi Grand Mixture: This carefully selected mixture contains a large number of varieties, representing all the different Narcissi classes, except for the miniatures. The large diversity ensures a very long flowering period as well as a true palette of colors. The Grand Mixture represents our best buy.(V8542) \$39.75

Narcissi Long Trumpet Mixture: This bold mixture contains whites, yellow, bicolors and pink trumpets and will provide a vibrant splash of color in the spring.(V8559) \$44.50

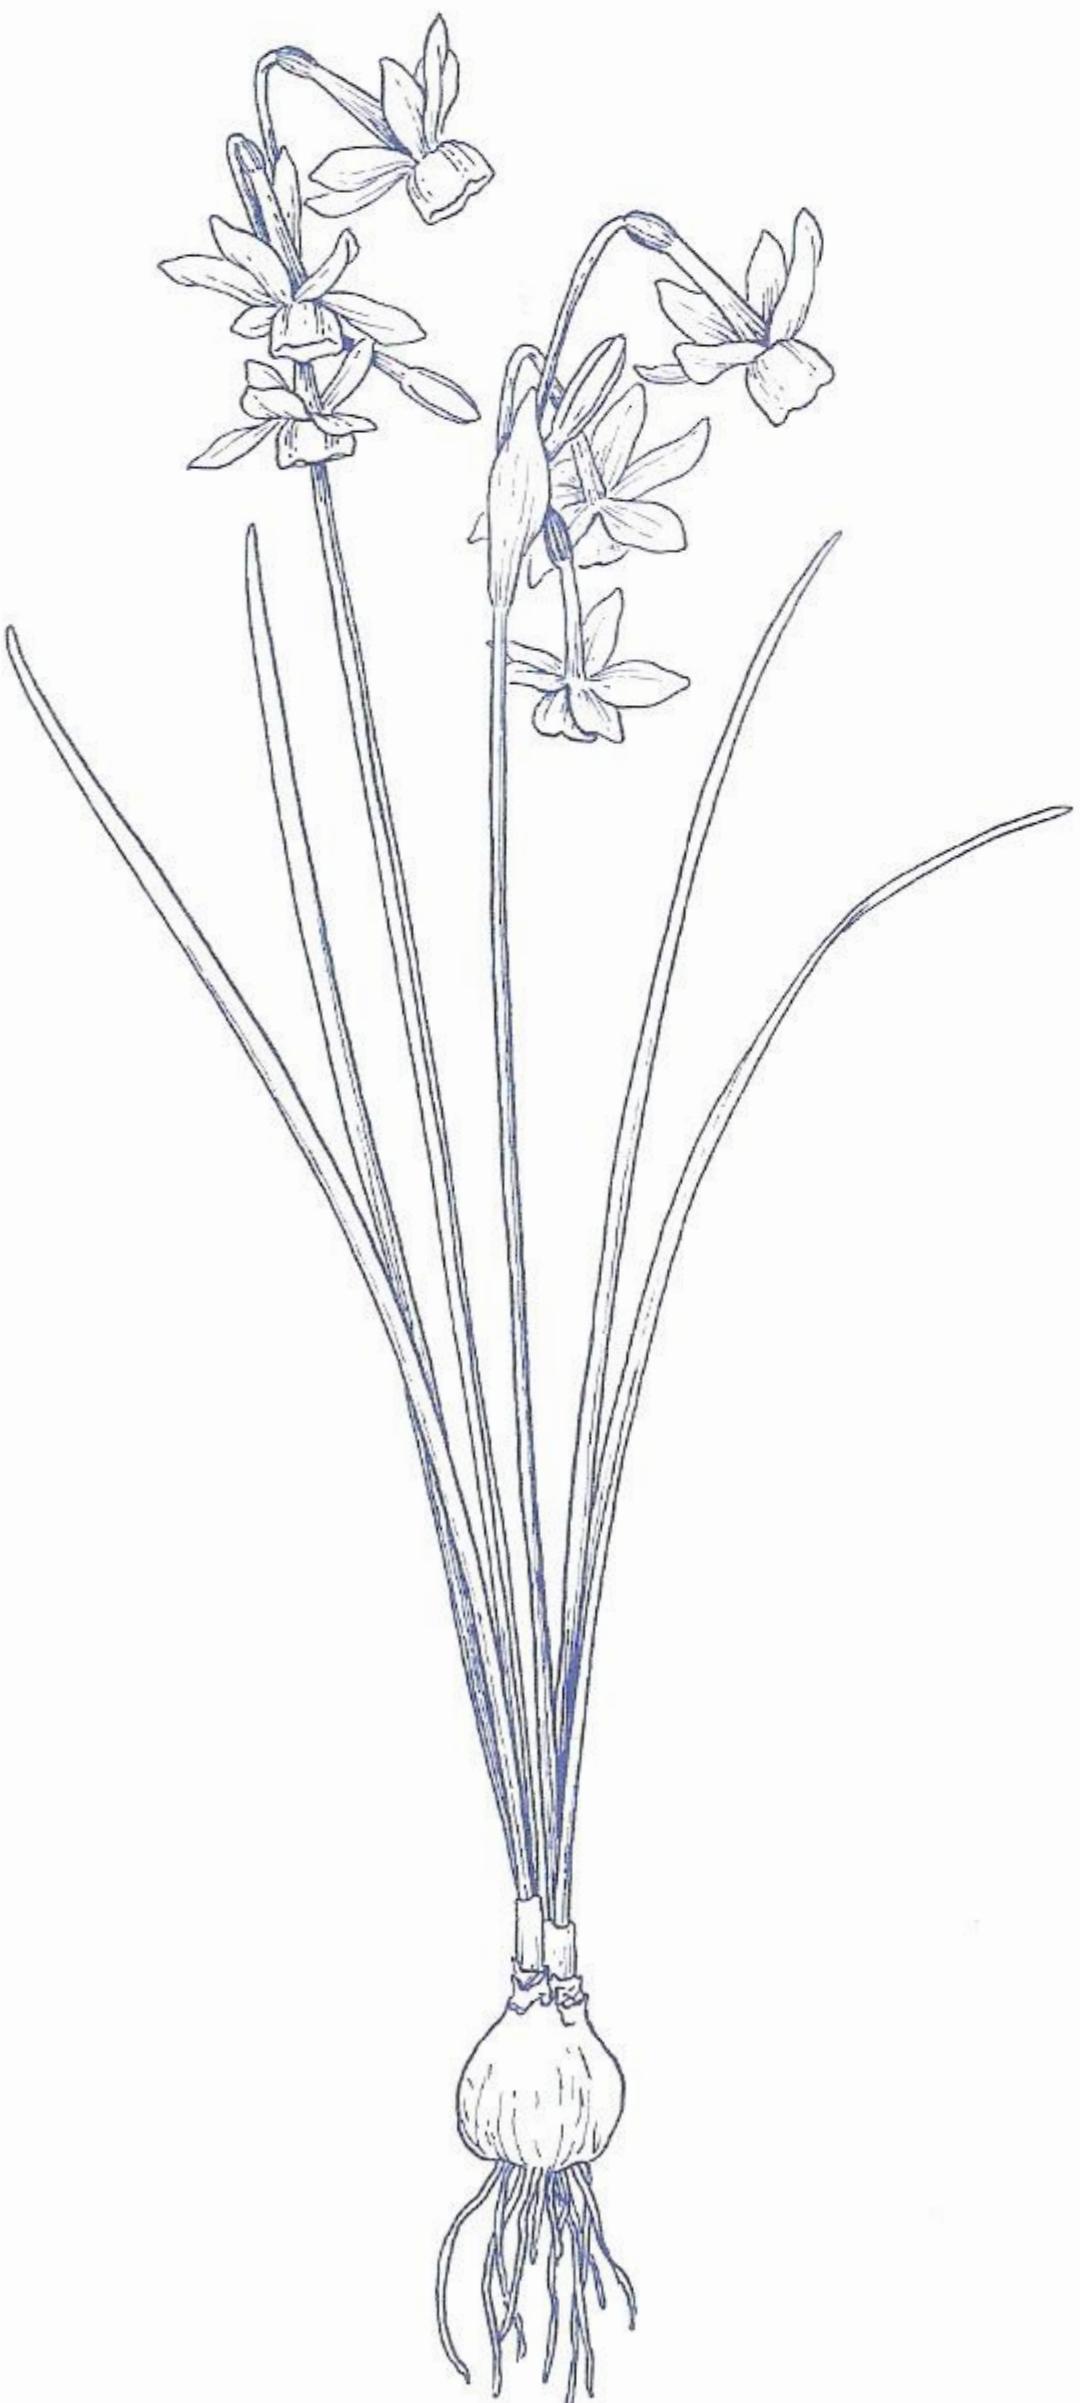

Narcissi All-Pink Mixture: Many shades of pink, rose and apricot are presented in this delicately blended late-flowering mix. Outstanding for show, cutting and many weeks of flower.(V8505) \$49.75

Narcissi All-White Mixture: This mix contains only white Narcissi, but from many different classes. Large cup, triandrus, small cups and other types are represented. During normal spring weather it should provide color for four weeks.(V8518) \$52.50

Narcissi All-Yellow Mixture: This mix contains only yellow varieties and will give the same effect as the white mixture.(V8526) \$44.75

Narcissi Butterfly Mixture: A fine collection of split-cup Narcissi. They closely resemble orchids and are delightful!(V8537) \$49.75

Narcissi Miniature Mixture: A well-balanced collection of the early flowering Rockgarden Narcissi.(V8563) \$32.50

NARCISSI NOVELTIES

PRICED AND PACKED PER 50.

Andalusia: Cyclamineus type. The clear yellow perianth is starshaped. The reflexed long cup is orange red, somewhat deeper colored at the edge. An early flowering and sweetly scented variety and a good companion to Jenny. 12"(V8008) \$25.75

Daydream: One of the finest varieties hybridized in this country. A reverse bi-color with beautifully proportioned flowers and a smooth, overlapping glowing lemon yellow perianth. The crown, of near trumpet size, opens the same color but changes to white as the flower matures. 16"(V8088) \$29.75

Fortissimo: A one-of-a-kind, true trumpet Narcissus. The perianth is amber colored, the large trumpet is red. A new and attractive color in Narcissi. 18"(V8130) \$37.50

Gracilis: The unusual result of a cross between a Jonquil and a Poeticus Narcissus. Three to five flowers per stem. The perianth is clear yellow as is the tiny poeticus-type cup. Very fragrant and the last of all Narcissi to flower. Performs well in southern states. Combine with blue Scilla Campanulata. 10"(V8168) \$22.75

Manon Lescaut: A recent sensation of Keukenhof Gardens in Holland! The very large perianth is pure white. The very flat creamy white cup turns pure white with a glowing apricot border as the flower matures. Sensational! 18"(V8256) \$34.00

Passionale: A magnificent and striking show flower. The well-overlapping perianth is pure white. The cup is a delicate apricot-pink slightly ruffled toward the edge. Late April flowering. Delicately scented.(V8285) \$45.00

Peaches & Cream: A unique novelty with a creamy yellow perianth and a peach colored trumpet. 18"(V8288) \$35.50

Petit Four: The first of its kind and another dazzler at Keukenhof! The very large white perianth is crowned by a fully double apricot pink cup. A great show flower. 17"(V8316) \$37.50

Petrel: A truly white Jonquil with all the good qualities of this group. About 12" high, very fragrant and late flowering. Up to six flowers per stem.(V8321) \$24.75

Pipit: An unusual reversed bi-color Jonquil. The lemon yellow perianth has a white base. The long cup opens up creamy yellow, but changes to white as the flower matures. This fragrant, late-flowering variety makes a fine companion to Suzy. 16"(V8336) \$22.50

Rosy Wonder: One of the most perfect Pink Narcissi! White perianth with a true pink trumpet! 18"(V8361) \$28.75

Salmon Trout: The finest of the Pink Narcissi! This very large cultivar has a smooth white perianth and lovely salmon pink cup. It requires a few days to fully develop its color and does so best in filtered light. 18"(V8376) \$33.50

Topolino: A very desirable miniature and a true bi-color, white and yellow. It flowers freely and performs beautifully in the rockgarden as well as for indoor forcing. Early. 6"(V8456) \$16.50

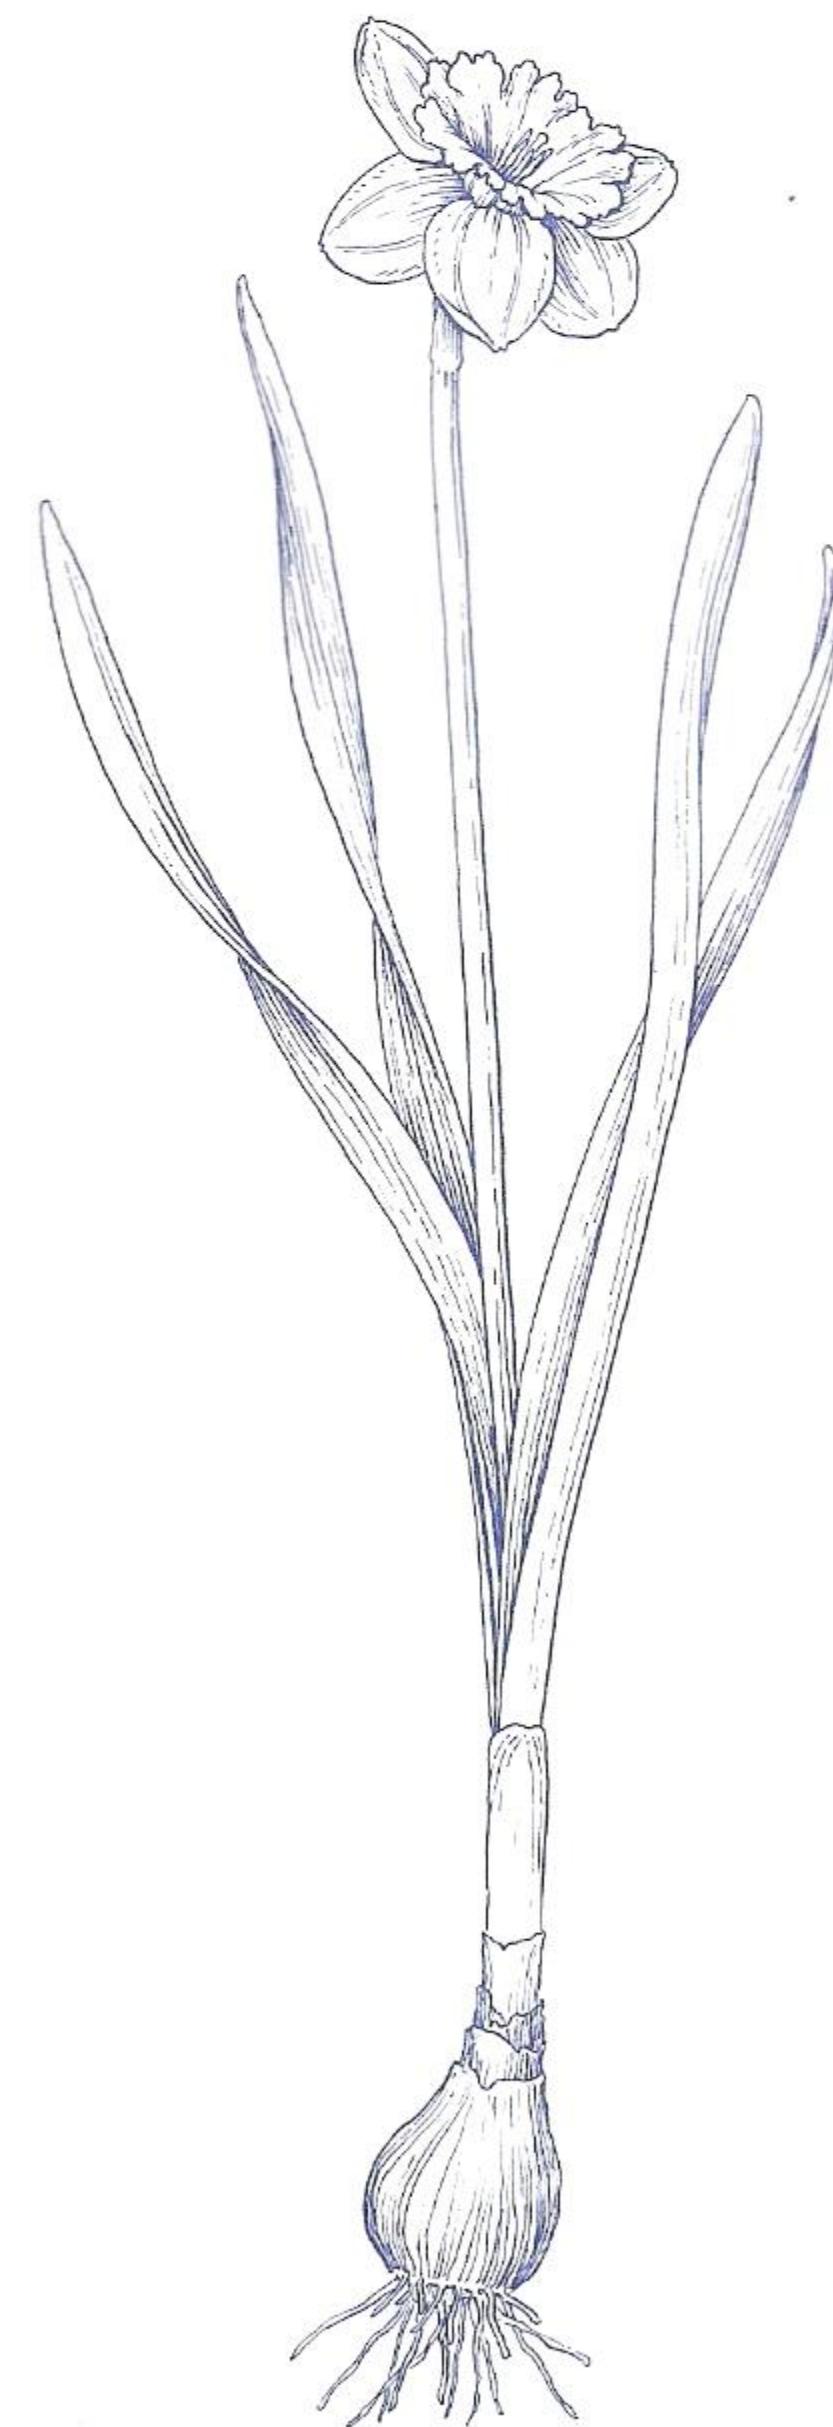

Tricollet: Unusual in that the crown of this new "Collar" Narcissus is split in three sections. The large perianth is pure white and the split crown is orange. Great for cutting and flower arrangements. 16"(V8464) \$32.50

White Plume: This pure white large cupped variety has a star-shaped perianth with a small green center in the cup. One of the very few all-white large cups available. 18"(V8481) \$29.75

*And . . . there are even more exotic Narcissi
on the next page!*

"The bulbs you sent me last autumn were far superior to any I had previously received by mail and were in fact better than the selections I had handpicked from local shops."
