

There have been lots of reports of exhibitors competing in classes for the American Bred (RWB) award who have used all poets. If you want to try this we offer an assortment. See your DTS&G or the new RHS International Checklist for color code. Bulbs will be dug in May/June and shipped by UPS for immediate planting in early June. There is a shipping and packing charge of \$3.50. Check for that charge and the bulb price must accompany order and be mailed to Mrs. M. S. Yerger, 211 South Somerset Avenue, Princess Anne, Md. 21853. Phone 301-651-2356. All cultivars are scarce and subject to prior sale.
