Meeting - February 4 for show planning. Next meeting will be the second Saturday in June for the annual "Daffnic"

Middle Tennessee Daffodil Society

Show - April 1,2 1995 at Cheekwood, Nashville TN
Entries Friday March 31 until 5 PM, Saturday 8 to 10 AM
For further information, call Mary Cartwright (615)269-0566

Meeting - February 19

Florida Daffodil Society

Activities - The FDS is a very busy group!. They have two garden tours planned as well as demonstrations on cutting and displaying daffodils. They are planning a bulb sale again this year. An activity of major importance is the research project about daffodils suited for mild climates. This will be interest to growers in other states with mild climate areas.

For further information, call John Van Beck (904) 878-9753

1995 ADS Convention

This year's convention will be in Dallas, Texas on March 16-18. Like last year the time is very well suited for members from our region to exhibit. If you have never been to a convention before, give it a try. Not only is there the opportunity to participate (or just see) an outstanding daffodil show but also the chance to meet fellow ADS members from all over the world. Its fun and interesting. We will again plan to have a regional meeting and party at the convention - we'll decide when after we see then final schedule.

This will be my last newsletter as regional vice president. The new RVP will be elected at the convention. (Another good reason to go , right?)
