Immediate apologies to Helen Haskell for the omission of the fact, in the fall newsletter, that she won the Bronze Ribbon at the Greenwich Show last April. The following blooms comprised her beautiful winning entry: Lenny-more, Bravoure, Achduart, Wychavon, Centreville, Pure Joy, American Shores, Corbiere, Rapture, Foundling, Lavalier, Arish Mell. Please forgive me, Helen!

Thank heaven this winter was not a repeat of the infamous Winter of 1994. Already green foliage is poking it's way through the ground in this area and we are looking forward to the coming shows.

The ADS National Show and Convention will be held at the Plaza of the Americas Hotel, 650 Plaza of the Americas, Dallas, Texas March 16-18. If any of you happen to be in the area that weekend, do plan to stop in and view the many blooms. A national show is really something to see.

The New England Regional Show combined with the Connecticut Daffodil Show is to be held April 26 and 27 at the Parish Hall, Christ Church, 254 East Putnam Avenue, Greenwich, CT. For further information contact me at the above address.

April 30 and May 1 are the dates for the Nantucket Daffodii Show. Write Mary Malavese, P.O. Box 1183, Nantucket, MA 02554 with questions.

The Northern New England Daffodil Show at the Dublin Town Hall will take place on May 5 and 6. Contact: Mrs. Harvey L. Schwartz, Sky Hill, P.O. Box 194, Harrisville, NH 03450.

If you live near any of these shows do plan to exhibit, or at least attend. If you have never done either - try it, you'll like it!

It is not too early to plan for the 1996 National Show which will be held in Baltimore, Maryland.

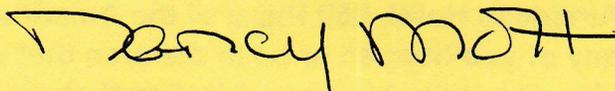

A hearty welcome to new ADS members Philip and Kathryn Miner of Dublin, New Hampshire.

A sad farewell to Mary Mattison van Shaik who passed away last October. A soft-spoken, delightful lady, she was a grower, shower, judge and good friend to all. Those of us who had the pleasure of knowing her will miss her.

I am working with the Berkshire Botanic Garden on a display to be put on at their annual Mother's Day Weekend flower festival. If any of you live in the area I would very much appreciate any help you can give me. Please call me at 203-661-6142. Leave a message if I should not be at home. Hopefully this will lead to the rejuvenation of a show in that part of the world that was held several years ago which would bring entrants not only from New England but areas of New York State as well.

A happy spring to each and every one of you and do plan to enter and/or visit one or more of the above-mentioned shows. Also, be on the lookout for new ADS members.

With best wishes to you all,
