(2003) Nancy Kolson 22131 Delaware Co. Line Rd. Marysville, OH (937) 348-2331  
nancykolson@yahoo.com

Regional Vice President

Betty Kealiher 9330 Weaver Road NE St. Louisville, OH 43071-9705  
bkealiher@msmisp.com

This has been a great growing season for us, and I hope that a lot of the rain which we have received will have a great affect on the daffodils still in the ground. Since it won't be long before we start receiving our new bulbs, the ground should be in good condition and a back hoe/trencher/pick ax won't be necessary to get dig holes. It certainly was a much nicer summer than a year ago.

Please note the enclosed ballot requesting the election of a new director and vice president. It must be received by September 29. No facsimiles accepted.

A Note of Thanks

Grace Baird wishes me to express her thanks to all of you who remembered her 90th birthday with cards. It certainly was a nice surprise to receive cards from a lot of you in the region and other places.

Louisville

With the convention being held in the Midwest Region for the first time since 1992, it will give many of you a chance to attend one very near to home. Hilda Dunaway and her committees have many things planned. Watch the Daffodil Journal for more details. Please plan to attend and make/meet new and old friends.

Regional Meeting

Again this year, the regional meeting will be held at the Wegerzyn Horticultural Center in Dayton on September 30. The meeting will start at 9:30 AM with coffee and donuts. Please plan to attend the potluck luncheon and bulb exchange. Also, please bring your own table service.
