### **2012 List of Specialty Daffodils**

This past daffodil season was a struggle with so many shows across the USA being canceled. But we were able to put up our first commercial display at the ADS National Convention in Baltimore which was a lot of fun! Let us hope for a better and more normal year in 2013!

This list if you receive it by email has a new trick we just learned (thanks to the wisdom of Jason Delany). All the daffodil cultivars are highlighted with a link to the DaffSeek detail page. Once online, put the cursor over the cultivar and depress and hold the Ctrl key (usually lower left) then simultaneously left click your mouse. Look on your lower bar and DaffSeek should be there for you to click on. All but 3 flowers do not have a picture featured but the descriptions will help you choose your preferred seasons. We have noted the ADS Classics, Historics and Intermediates. And once again we have miniatures from Clay Higgins-some quite rare.

If you long to enter a Havens we have many upper divisions to choose from and there are 6 different Div.9 color codes for your all Div. 9 Throckmorton challenge (issued by Loyce McKenzie-who did the famous all Div.7 Throckmorton!)

We had no problems with the USPS shipping last year and will continue to include insurance in the shipping costs to make sure there are no losses this coming year.

**Please place your orders by August 15<sup>th</sup> 2012! Thanks so much, Mitch and Kate**
