

2016 East Tennessee Daffodil Society Show

Author : Tom Stettner, Ohio

Date : April 4, 2016

The ETDS show was held at the usual location of the UT Horticulture Lecture Hall.

Like the MTDS show, the quality was quite good and the judging was a major effort. The White Ribbon and the Gold Ribbon judging experienced a 6 way tie and had to have another judge brought in to break the tie. The Gold Ribbon vote could not be changed, so Jaydee suggested that they step outside to look at them in more detail to see if that might change the vote. Another Judge joined in to help break that tie.

It was an exciting show with all this very close competition.
