**Date :** April 5, 2016

This show, has been taken on by Mike & Lisa Kuduk of Winchester Kentucky.

Years ago, this was a favorite show of mine. Over the years, it's suffered from members moving, or no longer with us, so hasn't been active at all for years.

Kudos to Mike & Lisa for resurrecting this and huge thanks to all the other members and officers of the new society for their involvement in helping put this show together.
