One of our prominent exhibitors of miniature daffodils was unable to attend the Livermore show this year, but Harold Koopowitz and Marilyn Howe saved our Miniatures Section with their fabulous display of their seedlings. As you look at the pictures and the classifications, you'll realize there are many new forms and classifications possible that aren't generally seen elsewhere in the U.S. (or the world for that matter). Indeed, Harold and Marilyn's exhibits won all the awards shown on this page.
