

Western Daffodil Friends,

The recent note on Western Daffodil Events in the Spring of 2017 omitted the most popular Southern California event - the Julian, California weekend!

Julian will have its 13th Annual Daffodil Show on March 4-5, 2017. It will be located in the Julian Town Hall (the corner of Washington and Main). The show will be open Saturday and Sunday from noon to 5pm. Admission is free.

The show is a significant local event and is open to all. Bring your daffodils for display in the show on Friday, March 3, between noon and 5pm.

There will be over 1000 daffodils on display. Include yours! American Daffodil Society experts will help give names to any daffodils you bring.

Sponsored by the Julian Chamber of Commerce ([www.julianca.com](http://www.julianca.com) ).  
Supported by all daffodil lovers!
