The WDS show was held yesterday in Alexandria, VA at the Alexandria Valley Scottish Rite Temple. We had a good turn out on a sunny day, however the wind was blowing fairly hard but it was a relief from the winter weather that we have had for the last month. It was like old home week as I started my daffodil career at WDS. Along with Karen Cougar, there was Kathy Welsh, Richard Ezell, Janet Hickman, Glenna Graves, Scott Bally, Bob and Lina Huesman, Robert and Mary Darling, Mary Anne Barton, Paul Botting and of course myself.

There was 1317 count of stems entered into the show. Did not get the number of exhibitors. This is frustrating as I cannot add Pictures today. I'll see if I can go back and edit the pictures in later.
