Chambersburg Show 2018. This is my 6th and last show of the year 2018.

The Tuscarora Daffodil Society had it's 82nd consecutive Daffodil Show on Sat and Sun April 21 and 22 at the First Lutheran Church in Chambersburg, PA under the co-chairmanship of Mitch Carney and Richard Ezell. There were 887 stems of beautiful daffodils. I was pleased to see three of the judges there that I have known around the daffodil world since I got started in Daffodil. Ann Donnell Smith my first daffodil teacher. Kathy Anderson that I clerked for the first time I went to a daffodil show and put in Exhibits and Martha Best who has always been a main-stay with the Baltimore and WDS programs.

Judging was conducted on Saturday April 21 while the weather was sun shining we started the day under a threat of freezing according to the local weathermen. Will spring ever come this year.
