Advance Bulb List for Fall 1977

To all our gardening friends we offer this, our 1977 selection of the WORLD'S FINEST SPRING-FLOWERING BULBS for fall planting. Over twelve hundred varieties have just completed their blooming season here in our trial gardens. The best we have chosen for this list. We have capitalized the names of some we wish especially to call to your attention.

As usual we tried scores of new varieties some of which are included in this list. Among them are the violet and purple Darwin Tulips Parfait Amour and Vagabond Prince and the red-cupped daffodil Vogue.

Remember this is an ADVANCE LIST. We can stock only a small fraction of this offering for fall buyers. So to avoid disappointment send in your order as soon as possible after receiving this list.
