SECTION K: KENTUCKY DAFFODIL SOCIETY HERITAGE TROPHY COLLECTIONS <i>(See Rules 1, 6 & 9)</i>	
The Kentucky Daffodil Society was founded in the 1950s and has had annual shows for most of its existence. The Society possesses eight silver trophies which were established between 1965 and 1990 and which were offered for varying collections of daffodils. The show organizers have decided to revive these challenge classes, many of which were offered before the American Daffodil Society created some of the larger collections which exhibitors are currently offered. Each year, two of the eight trophy classes will be offered, so that all eight classes are offered over the course of four years. These classes are open to all exhibitors. Winners of each class will receive a special KDABS award ribbon and will receive a certificate with a photograph of the actual trophy with their name added to the list of trophy winners.	
THE FRANCES LAMB MEMORIAL TROPHY Established in 1979. Three stems each of five different miniature cultivars and/or species. The cultivars and/or species may be from any division.	Class K1
THE DYKE HAZELRIGG SILVER TROPHY Established in 1966. Ten different white standard daffodils, one stem each, from at least three RHS divisions. The daffodils may be cultivars and/or species.	Class K2

SECTION H: HISTORIC DAFFODILS – Pre-1940 <i>(See Rules 4, 9 & 11)</i> This section is open to all Standard and ADS Approved Miniature cultivars (i.e., not species) introduced or in gardens before 1940. All cultivars shall be labeled with name, color code, and year of registration or introduction as shown in the International Daffodil Register and Classified List 2008 and its supplements, i.e., daffseek.org. Rule C is extended to permit subdividing by year, decade, and/or color code.

Rules

GENERAL RULES

- A. Exhibits may be entered from 2:00 pm to 8:00 pm on Friday, April 5 and 7:00 am to 10:00 am on Saturday April 6, 2019. At 10:00 am, the show floor will be closed except for the Classification Committee who will work between 10:00 am and 10:30 am to prepare the show for judging.
- B. Each exhibit must have a properly filled in Show Entry Card. Only the top half of the Entry Card needs to be filled in. Any information on a Show Entry Card which could compromise the anonymity of an exhibitor must be concealed during judging. Exhibitors are urged to read the Show Schedule carefully, including the Rules section, before preparing Show Entry Cards. Advance preparation of cards will enable you to place your entries quickly and correctly.
- C. The Classification Committee and Judges reserve the right to subdivide classes when there are more than three worthy exhibits in a class and if at least three worthy exhibits will be left in each subdivided class.
- D. The Show Committee will attempt to ensure that all exhibits are entered in appropriate classes before judging begins. However, each exhibitor is responsible for the accuracy of the entry card of his/her own show entries.
- E. Exhibits, awards and ribbons may not be removed prior to the closing of the show listed on the cover of the schedule.
- F. Exhibitors may not change, alter, re-label, substitute or remove an exhibit after judging has begun. If the Show Committee discovers an error before judging is completed, affected classes will be re-judged. If the

error is discovered after judging is complete, any award will be forfeited. The decision of the Judges and Show Committee Chair is final.

RULES FOR HORTICULTURAL EXHIBITORS

1. All classes in the Horticultural Division are open to anyone who grows daffodils, except as noted in the schedule, i.e., Classes G4 and M19 are only open to ADS members in good standing.. See also Small Growers and Youth.
2. An exhibitor may make as many entries as desired in any class, provided each entry is a different cultivar or species or an entirely different collection of cultivars and/or species.
3. An exhibitor must have grown all blooms in the Horticultural Division in the open or in the open with temporary protection. Miniatures and species daffodils may be grown in protected areas.
4. The Royal Horticultural Society System of Classification will be used. Labeling authority for color code, year and originator is *Daffodils to Show and Grow*, as amended annually in the December *ADS Journal* and supplemented by the current version of Daffseek.org.
5. Color and Color Zone Definitions: **Color Code means both the RHS Division and color code, i.e., 2Y-Y.** The words “pink cup”, for example, describe daffodils where that color is solid, 2 W-P, or is present in two adjacent zones, 2 W-GPP or 2 W-PPY. The words “pink in cup” include daffodils with one or more cup zones of pink. The words “rimmed with pink” describe daffodils with pink only on the outer cup zone. “Colored” is any color other than white. “Predominantly” means the same color in at least two adjacent zones. A “reverse bicolor” has a color code indicating a predominantly colored perianth and a predominantly white cup. “Toned” refers to Dr. Throckmorton’s description of off-white, or very pale perianth color.
6. Only one First, one Second, and one Third Ribbon may be awarded in each class. Honorable Mention Ribbons may also be awarded if merited, but only if First, Second, or Third Ribbons have been awarded. First, Second, Third and Honorable Mention Ribbons may be withheld by the judges if, in their opinion, the exhibit is not worthy.
7. Each stem in an exhibit receiving an ADS Award must score at least 90 on the appropriate ADS Scale of Points. Furthermore, if a Blue ribbon (First) has been awarded in a class eligible for an ADS Award, the judges may not withhold the ADS Award.
8. Single-stem and three-stem entries for one cultivar or species must correctly list name and color code on the Show Entry Card. Exhibitors will use a single tube for three stem entries to make a vase of three. Entries that are not named, or are incorrectly named, will not be judged.
9. All collections of five stems or more must be exhibited with each cultivar or species in a separate staging tube. Each daffodil in a collection must be **legibly** labeled with name and color code. In addition, name of originator is required for Country Collections: Classes E22 through E25 and M17, and year of introduction is required for Classics (Section L) and Historics (Section H). Exhibitors must provide their own labels. The name (type) of collection, for example, “White Collection”, “English Collection”, or “Quinn”, is required on the Show Entry Card.
10. Classic Daffodils are those standard daffodil cultivars originated between 1940-1969 inclusive. Blooms of Classic daffodils may be shown in all classes for named standard cultivars; however, only those shown in Classics (Section L) will be eligible for the ADS Classics Ribbons. **Section L requires year of origination** as well as cultivar name and color code on the Show Entry Card. The earliest date shown in the International Daffodil Register and Classified List 2008 and its supplements, i.e., daffseek.org, will be the authority.
11. Classes for Historic cultivars are open to all cultivars (i.e., not species) introduced or in gardens before 1940. All cultivars shall be labeled with **name, division number, and year of registration (or introduction)**. The earliest date shown in the *International Daffodil Register and Classified List 2008* and its supplements will be the authority. The Best Historic, Best Historic Three Stems, and Best Historic Collection of Five (if all five are Standards) are eligible for the Gold Ribbon, White Ribbon and Purple Ribbon respectively.
12. Intermediate daffodils are standard daffodil cultivars in RHS Divisions 1, 2, 3, 4, or 11, having a single floret whose diameter is typically between 1½ and 3 inches (50-80mm). Intermediate daffodils may be entered in classes for standard daffodils, as well as classes reserved for Intermediate daffodils. This means Intermediates entered in Sections E, G, H, L, S, & Y are also eligible for the ADS Intermediate Ribbon, and

it is a wise exhibitor who uses a colored marker available from the Show Committee to draw attention to her entries outside the Intermediate Section for consideration for the ADS Intermediate Ribbon.

13. Miniature daffodils are daffodils named in the most recent ADS Approved List of Miniatures, with any official additions thereto, and are shown only in the classes for miniatures: Sections C, D & M and certain section classes as stated in the schedule. Any named or numbered diminutive daffodil that appears graceful, with all of its parts proportionately small, may also be entered in miniature classes, even if it is not on the official list, however. Judges may decline to judge an unofficial miniature if, in their opinion, it lacks grace or is too large to be considered a miniature.
14. Blooms of seedlings may be shown in all classes for named cultivars. Seedlings shown by the originator require seedling number, color code and parentage, if known, and are to be marked with a colored marker if they are to be considered by the judges for the Rose Ribbon. Seedlings shown by others require the originator's name, seedling number and color code and are not eligible for the Rose Ribbon.

Exhibitors are especially encouraged to join the American Daffodil Society. The ADS publishes a quarterly Journal containing interesting articles, color photos, and national daffodil news.

To join, go to www.daffodilusa.org and click on the webstore, <https://stores.daffodilusastore.org/>. Check out the large variety of daffodil related information available through the ADS website.

DIRECTIONS TO GRC HIGH SCHOOL

From the west:

Exit I-64 at exit 94 and make a right at the top of the ramp. Continue on the bypass until it ends, about 3 miles. When it does, bear right and proceed on KY 627 southbound. The high school is located at the second light on the right, about 1.4 miles from the bypass-627 intersection.

From the south:

Exit I-75 at exit 95, Boonesboro. Make a right at the top of the ramp and proceed through the light onto KY 627 north. The high school is approximately 11 miles on the left side of the road; it will be the first light since exiting the freeway.

From the east:

Exit I-64 at exit 96 and make a left at the top of the ramp. Proceed on KY 627 through downtown (Maple St.). After going through downtown you will need to make a right at the four way stop to continue on 627 (now Boone Ave.). Proceed through town, passing the old high school on the left. After the intersection with the bypass the high school will be on the right, 1.4 miles further south.

Once at the high school:

The cafeteria is immediately to the right of the main entrance in the front of the building and is easily accessible for loading and unloading.
