Hi Mary Lou -

It is with a heavy heart that we announce that the annual spring daffodil show at [Bachman's](#) has been cancelled for 2020. Dozens of other daffodil shows and gardening events have also been cancelled across the country, and regrettably we must follow.

The Daffodil Society of Minnesota looks forward to welcoming all daffodil lovers in 2021! The 2021 show is already scheduled, for **May 16-17, 2021** at [Bachman's on Lyndale](#). Put it on your calendar now!

This brief newsletter offers some ideas for enjoying this early spring, while we all practice social distancing. We wish you a healthy spring - take care.

GARDEN STORES ARE GETTING CREATIVE

Check out your local garden store!

Contact your favorite local garden store - many are offering phone or on line ordering, with curbside pickup. All of these local, small business owners need our support!

Here are just a few websites:

Bachman's has said that on Monday, April 6th they will open their outdoor sales areas, at all local stores. As many retailers have implemented, there will be controls to support social distancing. Check your local favorite to see what options they have available for you.

Whichever is your favorite garden store, support it and get a jump on starting seeds, planting cool-season vegetables, or enjoy a pot of pansies!
