Hello!

This is our fifth year to compile a list of surplus bulbs for sale. The sale of these bulbs is not for monetary gain. It is a non-profit endeavor to support the creation of a "hortus" here in the United States for educational and preservation purposes. Any proceeds from sales are utilized to defray the expense of propagating and maintaining the collection. Bulbs are also provided to schools, ADS clubs, and church groups for fund-raisers.

The bulbs we provide are either double nose or two single rounds. The rarity of the bulb, the multiplier rate of the bulb, and the available supply determine the price of each cultivar. Bulbs are available on a first-come-first-served basis. Please feel free to contact me to discuss large quantity pricing.

Orders will be shipped in mid to late September. An invoice will be included with your bulb shipment. The invoice will include the total cost of the bulbs, the actual shipping cost and a \$5.00 packaging charge. Most orders will be shipped via the United States postal service. I request that you make payment by check upon receipt of your order; please do not send payment in advance of receiving your order.

Thank you for your interest,

Joe Hamm
