

JOE HAMM 2014 DAFFODIL PRICE LIST

July 31, 2014

Hello!

This is the sixth year of offering surplus bulbs. The sale of these bulbs support our not-for profit work in the creation of a "hortus" and the ADS approved "Display Garden".

I know we are late in getting this to you this year and appreciate your patience. Pricing, as in the past, is based on rarity and the rate of normal rate of bulb increase. Bulbs are available on a first-come-first served basis. Bulbs are double nosed or the equivalent in rounds. I also try to assure Each person will get at least one bulb. We endeavor to supply 'true-to-name cultivars, but we are not always perfect. Mix-ups can occur. Some items listed may not be available due to conditions beyond our control.

Do not send payment in advance. You will be billed a \$5.00 packaging charge plus the actual USPS postal charge. An invoice will be included with your bulbs. We find that ADS members are not 'dead-beats', and so far our trust in '*daffodil comrades*' has not been compromised.

Thank you for your support

Joe Hamm and his sister Georgine (Genie) Materniak
