

ADS Midwest Region
2022 Winter Newsletter
February 5th

Hello All ADS Midwest members! I hope all are well and staying safe.

1st, I'd like to welcome the following new members!

Katie Eagleson, Amy Cam & Mickie McHale. 😊

We hope to see you at a Daffodil show near you! Please see the shows quoted below and come visit us!

Other members please make them feel welcome and show them around.

I'm writing this today to use up some time in the weather on this February 5th Saturday while the record (for us) 3 inches of sleet, turned into pure ice boulders (from trying to plow) start to melt on our roller coaster driveway.

Our temps have been at a season low of minus 3 this winter so far. It sure will be nice to see the temps go above 40 tomorrow and the rest of this week for a good break in Southwestern Ohio. Some therapy for us, is that Linus LOVES to romp around in the cold of the snow & ice and seems to be energized by the crisp conditions. He sure is a joy and pure love of our hearts.

I have included below, a link to this years National Convention page with all the information on the fun time scheduled in Gettysburg, PA at the end of April.

Also, I've quoted the current details of each of your Midwest show dates.

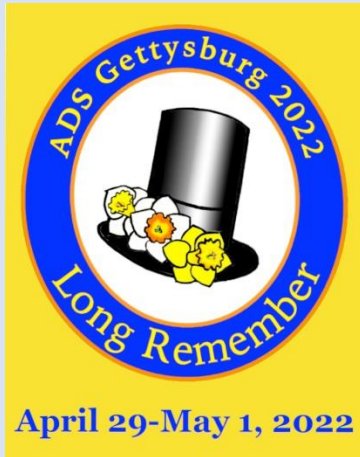

Attention Please if all the different society chairs would update us on the current status of the shows, it would be greatly appreciated so that any changes can be reported to the board and the website updated along with possible updates to the Daffodil *Journal* which isn't quite too late to update as of last night.

Continued Next Page -

I'll be the 1st to make an update – The SWODS show will be a non-judged display only and held on the same dates as quoted on the ADS website (and quoted below) Sat/Sun April 9th & 10th and will be current in the next copy of the *Journal*.

In addition, I've quoted all the judging schools going on in the country below in this article in case any of you would like to be included.

In a recent Daffnet post, a very worthy cause was described and a request for donations made for the group called "Marathon Daffodils". Part of the note is below. I'll past the link to the article here. Please consider making a donation to this worthy cause.

Marathon Daffodils has been supported by you, generous donors, volunteers, residents, workers, visitors and horticultural professionals. Your help will be greatly appreciated.

During the past two years of the COVID pandemic, Marathon Daffodils distributed thousands of potted blooming daffodil plants to our health care facilities

Our goal is to continue our tradition to deliver a symbol of Spring and Hope to our traditional Boston Marathon, to welcome the runners back to Boston, and deliver Marathon Daffodils plants of appreciation to the doctors, nurses and staff at the Boston hospitals, to respectfully honor the essence of Boston Strong.

a donation "Pledge" sheet is here:

In the quoted pages above, hover over the link, then hold down the control key (for windows) and click to visit the page.

Really appreciate your consideration.

We continue to recognize those who were lost to the unprecedented world wide pandemic and keep the relatives in mind who continue to deal with their loss.

Thank you for your time.

Take good care now.

Tom
