All

The Indiana Daffodil Society held their show at the usual Hamilton Center Ice Arena in Columbus Indiana on Friday April 15th.

this venue is perfect for flower shows as it can be as cold as requested within reason and it visited often by a large demographic of the community. I was blessed enough to walk an elderly Mom and her daughter around the show explaining details of the show function and giving them information all about daffodils, divisions, scent, sizes and other attributes that seemed to impress them quite a bit. When I gave them a stem of "Scented Breeze" they were quite impressed at the Rose scent. By the time we had finished up the walk around the show, it seemed that they were interested in joining the local society AND the ADS! I came prepared for a New Zealand award at this show but seems this was not available this time. There were several stems of NZ raised blooms, a couple of them were a Div 8 seedling from Brogden Bulbs, AND a beauty of a Red Pink "Luvit" by the late Graham Phillips. I'm sure he's smiling about now.

I must apologize for missing 2 of Kathleen Simpsons great ADS wins for both the Purple and the Havens winners. By the time the judging is over, my job has yet to begin, so it's a challenge to get all the ADS wins when they aren't all on the same table. I'm sorry Kathleen! your flowers are always the creme de la creme! Photos below. Also, it looks like I cut off the left most column of flowers in the Throckmorton winner. This was Lynn Slackmans, Apologies to Lynn as well. They were all gorgeous blooms.

There is a very active group of youth exhibitors in this society and their flowers reflect their interest!

My last show was at Joe Hamms barn this past weekend. This was another outstanding show. More details when I post those winners. Another challenging time as I forgot my background.

Best In Show - Winks, exhibited by Gary Knehans

The 3 stem Intermediate AND White Ribbon for the best standard 3 stem in show. Lemon Honey, exhibited by Sue Luken.

The standard Rose Ribbon winner for the best seedling in the show. This was my entry. A 2WWY-O, The parents are All American X Geometrics.

The Mini Best in Show. "Little Mary Lou", from the winning Lavender ribbon collection of 5, exhibited by Kathleen Simpson.

The Mini White Ribbon for the best entry of 3 minis in show. The flower is "Xit" exhibited by Jim Wilson.

Youth Single Stem - Rapture, exhibited by Olivia Rocky.

The Small Growers Ribbon was this specimen of Bald Eagle, exhibited by Miranda Rocky.

The 3 Stem Youth award winner was Fly Half, exhibited by Olivia Rocky.
