Hello All

This will be my final post for the season. Sadly, we won't be attending convention this year. Hopefully next year will be better.

Joe's show is always in his barn style home and always a fun time. This time, we brought our pooch Linus which was a bit of a challenge as he wants to say hi to everyone, everywhere no matter what, and will not give up until you say hi back. Poor Frank had to deal with him the whole trip. Linus won't even eat unless he's isolated with one of us, so he needed to go back to the hotel to try to eat and even then, he was too excited. Mercy..

This was a very small show, but the quality was outstanding and a discussion ALMOST led to 3 Tuggle entries! As it ended up, there were 2. There were very few exhibitors, and only 4 of us to judge the show. Any way, it ended up quite well and attendance was very good as Joe's place is popular in the spring with the community. Photos below. I have included some pics of the general show and his property as a bonus. The Historic 3 stem and single stem was Snow King which is also in the historic 5 stem as the Poet pictured below. I didn't get a pic of the 3 stem.

I hope everyone has a great time at convention. We will see you next year.

The Gold Ribbon winner for the best single stem daffodil in show was Astrid's Memory, exhibited by Carolyn Cutshall.

The White Ribbon winner for the best 3 stem standard daffodil in show. Conestoga, Taken from the winning Tuggle

entry.

The Rose Ribbon winner for the best standard seedling in show. This was taken from the winning Tuggle entry.

The Classic, and Intermediate 3 stem and single, as well as classic cultivar was Merlin, exhibited by Larry Grundler.
