

# Daffodil Show Report for Local or Regional Shows

(revised March 23, 2022)

Within two weeks after the show, send a completed PDF file of this report by electronic mail to DaffLibrary librarian Mary Lou Gripshover at mgripshover@cinci.rr.com or on paper at 1686 Gray Fox Trail, Milford, Ohio 45150-1521 and to ADS Recorder Susan Duncan at suusieq@aol.com or paper to 3363 Nambe Dr., Reno, Nevada 89511-4300. Include all the information about the flower that exhibitors are required by the schedule to put on their entry tags or labels including the following: division numbers, complete color codes for the Throckmorton winner, hybridizer's names, seedling numbers of unnamed cultivars and their color codes and parentage where known, and dates of introduction for classics and historic. If the exhibitor provided color codes (even when not required by the schedule), please include them in this report. If you are unable to fill in this report form electronically, print it on paper and use a black ink pen to insure good copying if you are handwriting this report.

The best application to use for filling in this form is the free Reader application by Adobe. The current version of Reader at the revision date of this form is version 11, but older versions may work. Other applications that display PDF files may not fully implement the PDF specifications for displaying and filling in forms. Reader is available for many platforms. If you don't already have it, you can get it at <http://get.adobe.com/reader/>. When using this form, save your filled copy in a different file rather than overwriting the original file. Print your saved file if you wish.

☒ This was a regional show. ☐ This was a local show.

**Note:** In classes where no award was made, write Not Awarded if there was no winning entry, No Entries if there were no entries, or Not Offered if the class is not on your show schedule. On the cultivar line, put the name or seedling number in the first field, division and color code in second field, and any additional information, like seedling parentage, in the third field.
