## **Southeast Region of the American Daffodil Society Early Spring Newsletter**

from Becky Fox Matthews, Regional Vice President  
February 2023

### **Southeast Shows for 2023**

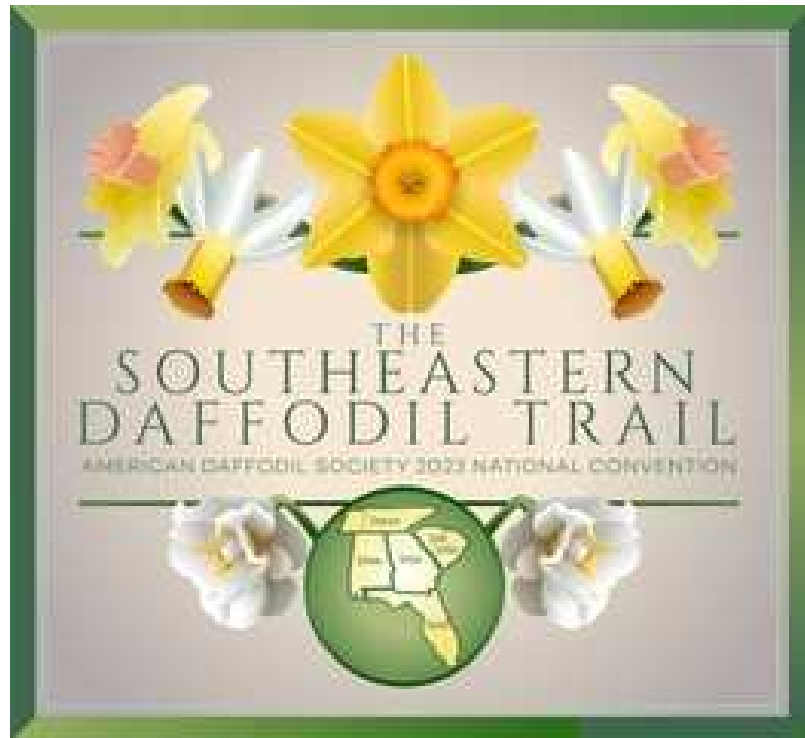

The Southeast region will have three shows this spring. The Southeast Regional Show is hosted by the East TN Daffodil Society (ETDS) in Knoxville, TN on March 18-19. The Nashville, TN show hosted by the Middle TN Daffodil Society (MTDS) will be at Cheekwood in the newly refurbished Botanic Hall on March 25-26.

The Southeast region, led by the Georgia Daffodil Society (GDS), hosts the ADS Convention and Show in Atlanta March 9-12. This convention will be an exceptional one with the combined ADS/National Garden Club Standard Flower Show, as well as a tour to Gibbs Gardens! Gibbs Gardens has the largest daffodil garden in the US (20 million daffodils planted with 100 varieties) and the largest Japanese Garden in the US (40 acres).

Just a reminder that in 2022 the state of Alabama became a part of the Southeast Region which consists of the states of Alabama, Florida, Georgia, South Carolina, and Tennessee east of the Tennessee River. Some of us with a lot of early blooming flowers are wondering about the possibility of adding an early show somewhere in the region.

MTDS has a website at [daffodiltn.org](http://daffodiltn.org) (sponsored by ADS) and a Facebook page. GDS has a website at [georgiadaffodilsociety.com](http://georgiadaffodilsociety.com) and a Facebook page. ETDS has a Facebook page. There is an Alabama Daffodil Group on Facebook. We all look
