and ADS leaders, this is designed and destined to be a Convention of note. The last Convention in this area boasted a record 4800 blooms, possibly the largest show ever. It is planned to be the perfect stand-alone event and is also the ideal venue to commence the World Tour, starting days afterwards.

The ADS National Show consists of Horticulture, Design, and Photography divisions, each organized by a team of experts, and open to the public. Free of charge, the hours are Thursday April 11, 2:00 p.m. to 7:00 p.m., and Friday April 12, 9:00 a.m. to 7:00 p.m.

We will have knowledgeable and entertaining speakers, not to be missed tour days, a fabulous Boutique, delicious meals, and most importantly, camaraderie with old and new friends. We hope to see you there.

For further details about this event, please visit the [2024 National Convention page](#) on the ADS website, and **take advantage of this wonderful opportunity to attend this historic event, stay in touch with daffodil friends, and learn more about daffodils.**
