SUPERB NARCISSUS COLLECTION

You will be thrilled with this superb collection. We offer ten each of these five outstanding varieties as a collection.

APRICOT SENSATION. A distinct flower of exceptional charm and refinement.

The large creamy perianth is of strong substance, with a bright unusual large flat apricot cup, which makes a handsome and striking garden variety.

FRINGED BENEFIT. The thick pure white overlapping segments of the perianth are in sharp contrast with the heavily fringed deep orange cup. A striking color combination.

OLYMPIC FIRE. An outstanding variety. A large flower with broadly overlapping sulphur-yellow perianth and large orange-red flat crown. Most distinct and attractive.

SHOWMAN. A fine, large bold flower of distinct character. Broad smooth creamy-white perianth and greatly expanded ruffled soft yellow cup. A beauty.

SPELLBINDER. A large flower of clear luminous greenish yellow. A flanged trumpet which turns to near-white on the inside as the flower develops, while the outside of the trumpet retains its yellow color.

10 each of the above 5 varieties, 50 bulbs in all for only \$12.00
