## INTRODUCTION

Welcome to our fifth catalogue.

What can we say about the weather in 2000 that hasn't already been said !  
It is now December and the planting has not yet been completed.  
We extend our congratulations to the Daffodil Society members who travelled to Portland, Oregon with us and gained numerous awards.

**LAKELAND FAIR** has had a very successful year winning Best in Show at the S.E.E.D.G. at Tonbridge and featuring in the BBC's Gardeners World programme in April.

We are making just one introduction this year called GOLD RILL. This is named after our favourite hotel in Grasmere.

We wish you all a successful season in 2001

*Michael and Sandra Baxter*
