GOLD MEDAL DAFFODILS

TERMS

All bulbs are offered on the condition that the crop is satisfactory and subject unsold at the time of receipt of order.

We will not be responsible for the result of planting or forcing, but guarantee all varieties true to name.

Order cannot be cancelled except by mutual consent.

All prices are for net cash within one month from date of invoice, invoices including postage and packaging will be included in all parcels.

Receipts for payments will not be sent unless specially requested.

Orders will be executed in strict rotation.

All bulbs at customers risk and expense.

Please order before the middle of July to avoid disappointment, because some stocks are small and all unsold bulbs are replanted by beginning of September. Figures following the names of varieties denote approximately the relative time of flowering. No. 1 being the earliest, and No. 6 the latest.

S beside descriptions denotes daffodils with definite scent.

EXCHANGE RATES

An exchange rate of \$1.50 to the £ will be used. We trust that this is nearly right but it needs second sight to know what the rate will do in 1994. If at time of despatch the dollar is stronger than at present, we will send extra bulbs to make up the difference.
