Don't Forget June 18th
Potluck!
Thank You's**

Greetings!

We hope you had a chance to get to our [38th Annual Daffodil Show](#) at [Bachman's](#) over the May 16-17 weekend. In spite of the see-saw temperatures this spring, there were 624 blooms exhibited!

Twelve people entered their daffodils, including four youth exhibitors! Predicted storms kept some visitors away, but we still had nearly 300 visitors. We also welcome several new members to the Daffodil Society of Minnesota - and they entered blooms! No question about it, the show was a big success.

We thank [Bachman's](#) for their continued support of our show!

And don't forget the [June 18th potluck](#) - details below!

A SAMPLING OF THE WINNERS

The show always has many winners, and the full results will be posted on [the DSM website](#) shortly. Some are single-stem or three-stem entries, and some are collections. Collections may have five stems with some unifying traits (e.g. country of breeding, color, division, etc.). And some collections are much larger, up to 24 stems! See all the winning exhibitors on the DSM website [show results](#). Here is a sampling:

Our website will have the detailed show results posted shortly!

We try not to take ourselves too seriously. Therefore we have a "Worst in Show" class, where we can exhibit the "OOPS" blooms found in our daffodil gardens. In 2015 there was stiff competition among seven entries. Kathy Julius's N. Canadel 3 W-GYR took the prize. Two stems fused, and created a wing!
