We start shipping September 15 and, as our stocks must be replanted by November 1, can accept no orders after that date; besides, early planted bulbs, especially in the North, prove far more satisfactory. Consult our Spring Blue List for prices not included herein. If your spring list has been mislaid, send for another at once, as they are now in short supply.

PLEASE NOTE - We cannot accept orders for less than \$5.00.

PARCEL POST - Please include 10% East of Mississippi; 15% West, for postage and packing on all except the Bushel Bargains, which are PREPAID East of Mississippi; add \$3.00 per bushel, \$1.50 per half bushel; 75¢ per peck, West of Mississippi.

OUR MARVELOUS MIXTURES

SPECIAL NOVELTY MIXTURE - A superior mixture containing over 500 of the truly distinctive varieties we grow. By the law of averages you should get from 40 to 50 and could get as high as 100 varieties per 100 bulbs. Planted in a cutting bed they will give ample and diversified blooms for the home over a long period each spring. Each year we discard about 100 varieties to make room for newcomers. These discards are added to this Novelty Mixture which is in a class by itself for those not interested in named varieties, and yet who desire fine and unusual flowers over an extended period each spring.

100 bulbs for \$10.00

EXTRA SPECIAL NOVELTY MIXTURE - Hard to believe but this is an improvement even on the Special Novelty Mixture, in that this year alone we have added 300 fine varieties which we have in surplus stocks and most of which sell for 50¢ or more. No one else in this country can offer such a mixture at such a bargain price, and as we plan to grow fewer varieties yearly, advise you to take advantage of this stupendous offer.

100 bulbs for \$15.00

NATURALIZING MIXTURE - This is absurdly low priced and includes more fine varieties (eminently suited for this purpose) than any others offered, yet at half the price. Our price on this will be at least \$10.00 per 100 next year as the fine old naturalizing types are growing scarce, so Order NOW!

All colors 100 bulbs for \$6.00

Yellow only 100 bulbs for \$6.00

ROCKERY MIXTURE - small types suitable for a Rock Garden.
