ORDERING INFORMATION

Please order early this Spring for Fall delivery between Sept. 1st and Nov. 1st. We endeavor to ship your order at the proper time for planting in your area. If you need your bulbs at a certain time, please request it. CLOSING DATE: No orders for miniatures will be accepted after Oct. 15th; for standards, Nov. 1st.

POSTAGE: Please be SURE to include 10% of your order to assist with handling and postage East of the Miss.; 20% West of the Miss.; and 25% on the West Coast. We ship UPS unless you advise otherwise, so please include street address or route number.

GROUP AND BUSINESS DISCOUNTS: 5% of \$50 orders; 10% on \$100; 15% on \$200; 20% on \$500; 25% on \$1000; These discounts apply only to orders compiled by and shipped to one member. Discounts do NOT apply to collections which are already discounted.

ORDER FORM: Please use the order blank enclosed. Send us the copy marked "Daffodil Mart Copy" and keep the "Customer Copy" for your records. We will gladly send you additional forms if you need them.

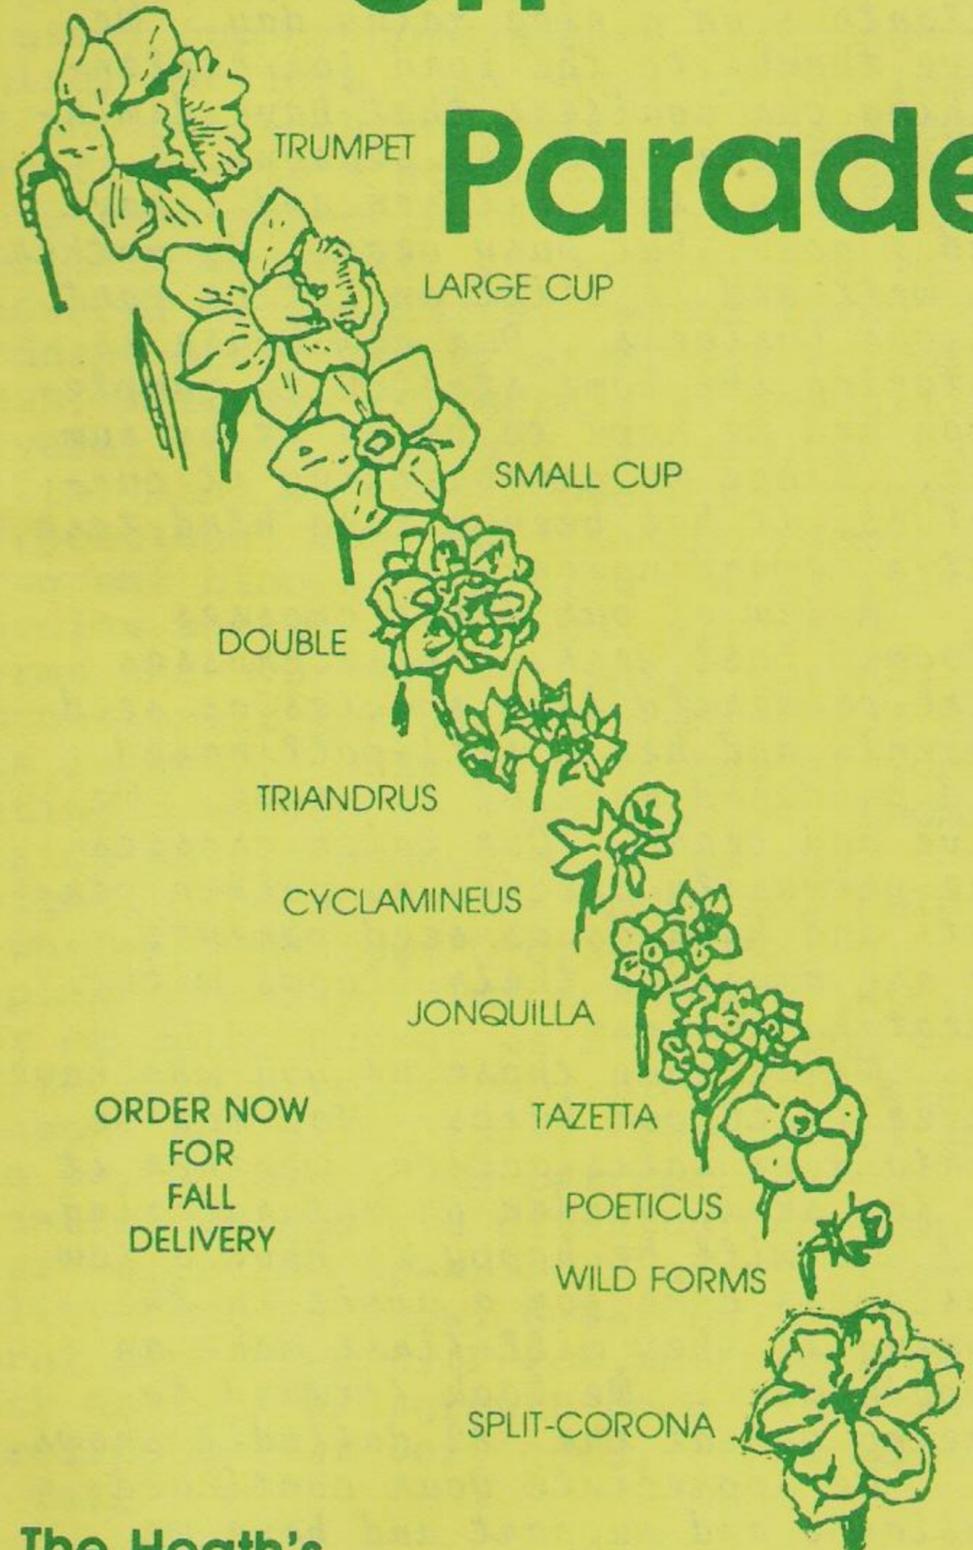

MINIMUM ORDER: \$15.00

March 15, 1982

Dear Daffodil Customers and Friends,
I hope that you are all well and anxiously awaiting your daffodils to bloom.

I am sitting here enjoying a small vase of *asturiensis*, *bulbocodium albidus*, Mustard Seed and a few *galanthus* on a nice rainy day. We give thanks to the Lord for replenishing our aquifers that have diminished in the past few seasons.

Becky, the children and I have had a good, but busy year. My mother is well and is still an active part of our business. Our new house is entering the home stretch to completion and we hope to be in it by summer. Since we are building it ourselves, it has been a long hard task, but a rewarding one.

A few of our first crosses bloomed last year. These crosses were primarily from species as seed parents and hence self-pollinated and produced more of the same. We live and learn. Our later crosses are primarily species as pollen parents and hybrids as seed parents. We are awaiting their blooms with great enthusiasm.

We welcome those of you who have never tried our bulbs. You may be certain of satisfaction, whether it be for show, garden or naturalizing.

We will be happy to have a few customers come for a visit in the spring if they will first make an appointment. We look forward to seeing you at the '82 daffodil shows.

We appreciate your continued business and support and hope we can serve you this year.

Sincerely,
Brent and Becky
Brent & Becky Heath

ALPHABETICAL LIST & CLASSIFICATION

The following is an alphabetical listing of our 1982 price list. Beside the name is the description code and price. The 1st number in the code indicates the division (#1 trumpet, one flower to a stem, trumpet or corona as long or longer than the perianth segments; #2 large cup, one flower to a stem, cup or corona more than one-third, but less than equal to the length of the perianth segments; #3 small cup, one flower to a stem, cup or corona not more than one-third the length of the perianth segments; #4 double, double flowers; #5 triandrus, two or three nodding blossoms per stem; #6 cyclamineus, reflexed perianths; #7 jonquilla, several small fragrant flowers; #8 tazetta, many pungent flowers per stem; #9 poeticus, dogwood-like red rimmed fragrant blooms; #10 wild forms, all species and wild or reputedly wild forms and hybrids; #11 split corona, corona split for at least one-third of its length). Next is a letter(s) indicating petal color, cup color(s) from inside out, sequence of bloom and height. The following codes may help. W-white; Y-yellow; O-orange; R-red; P-pink; E-early; M-midseason; L-late. For example, Accent is a large cup w/ white petals, pink cup, blooms in mid-season and is 15" tall. The prices in the price column are per each bulb. Quantity prices are given on many popular varieties described; also suitability code (S-Show, G-Garden, N-Naturalizing, C-Cut, P-Pot, F-Force, R-Rock Garden) and growth code (***** excellent, **** very good, *** good, ** fair).

Daffodil is the English name for the genus "narcissus" which is in the amaryllis family.
