

MINIATURE DAFFODILS FOR 2004

**PLEASE READ BEFORE ORDERING!** My excess stock is even more limited than usual, in many cases **ONLY ONE** bulb of a kind. Because of this, I have decided not to require payment in advance, but will bill you when I ship the bulbs. Orders will be filled strictly in the order received. Please list alternate selections anyway, to help in choosing a gratis bulb. Only 20 lists are being sent out, to avoid too much disappointment, so I must ask that you **not** share the list, or mention it, as I don't want hurt feelings either.
