Greenland (20) a most beautiful combination of old rose and green, strongly recommended	\$10.00	\$95.00

DAFFODILS and NARCISSUS

Daffodils and Narcissus are known to be the most popular flowers and no flower seems to announce the arrival of the new Spring like the very first yellow Daffodils. They are easy to grow and come in all kinds of varieties and colorings. Easy to grow for cutflowers they are also unsurpassed for naturalising in the orchards and meadows.

YELLOW TRUMPETS

per 100 per 1000

Burgemeester Goeverneur , a glorious golden yellow, petals are flat and well overlapping, the large trumpet is slightly curved back at rim.	\$14.00	\$130.00
