## Narcissus

In the  
spring-garden  
Daffodils  
are  
outstanding

## Narcissus (Daffodils)

The Spring flower „par excellence“. No other flower depicts so well the spirit of Spring.

Very popular for gardening, splendid for cutting, and forced in large quantities, the Daffodils have an important place in the world of bulbs.

For wild gardening, planting in woodlands, no flower is so popular as the Daffodil.
