# 1965 Daffodils

## 2B ACTION

Bred by the late W. O. Backhouse. A brilliant white and orange sunproof flower, a large cupped kind valuable in the garden and for cutting. Wide white petals around a wide bowl evenly coloured a rich vermilion. Good bulb, excellent quality flowers.

7/6, \$1 each. 80/-, \$11 doz.

## 2A DENHAM

A grand golden and orange large cupped daffodil with remarkable lasting powers and making a very bright cheerful contrast outside or as a cut flower. Flat petals make a wide perianth behind a wide crown of solid rich orange red. Very good grower and increaser. Try some.

5/-, 70 cents each. 50/-, \$7 doz.  
350/-, \$48 a 100

## 4 FURBELOW

Tall wiry stemmed double of medium size. Bred by the late J. L. Richardson. Rich primrose petals with smaller orange ones.

5/-, 70 cents each. 50/-, \$7 doz.

## 4 GOLLY

A very large double bred by J. L. Richardson. A tall strong plant with huge flowers of white and lemon primroses. Large and beautifully formed double flowers are made up of very smooth textured shining segments.

£5, \$14 each

## 3B PLEDGE

Another W. O. Backhouse flower. A tall strong growing small cupped variety. Round white perianth encircles a net cup of dark red. Sweet scented. Delightful cut or in garden. Good plant.

7/6, \$1 each. 80/-, \$11 doz.

## 2B TRIBUTE

From J. L. Richardson's Kilworth x Arbar cross comes this brilliant flower. A wide very shallow saucer crown is a vividly rich piece of flaming colour. The starry flat perianth makes a snow white backcloth. This is one of the most distinct and delightful garden flowers of this breeding.

50/-, \$7 each

## 1A TRUMPETER

A large primrose lemon trumpet daffodil bred by the late Guy L. Wilson. Wide very smooth petals are pointed and remain at

right angles to a rather slender trumpet just lightly flanged at the mouth. Individually delightful, glorious in a mass. Indubitably a grand garden plant and an excellent show one.

7/6, \$1 each. 80/-, \$11 doz.

Our bulbs are grown on well drained heavy Herefordshire soil. They are exceptionally hard, tidy, healthy bulbs. You are sure to be pleased with them. We have seedling stocks growing in our beds bred by the leading raisers and each season we hope to add one or two new kinds to our list. If you have not tried our bulbs, give us a trial order now. We shall look forward to hearing from you and to sending you your bulbs.

## 2B ARBAR

Thick white petals, shallow tangerine crown.  
8/6, \$1.20 each. 90/-, \$12.50 doz.
