

**HUNTING CAYE 2 Y-GYY Mid/Late Camelot x Daydream**

A lovely smooth, deep gold flower with great quality, poise and elegance. The well-proportioned, bell-shaped crown, with its touch of green at the base and nicely serrated brim, is a slightly deeper shade of gold than the perianth, which is flat with broad, spade-shaped petals of good substance. Shown as 80-19-F1 in my winning Williams Challenge Cup group at the Daffodil Society Show in 1988.

Each £9.00 (\$13.50), 3 for £24.00 (\$36.00)

**MICHAELS GOLD 2 Y-Y Mid/Late Camelot x Daydream**

Another fine, all-gold flower from this cross. The petals are broad, smooth and have much substance and the crown expands from a slim throat to an attractive fluted brim. The base of the perianth has the Daydream halo and the eye of the cup is apple-green. Strong, blue-green foliage and vigorous growth. Named to mark the Golden Wedding of dear friends at 'Michaels' in Hampshire, who generously gave up a lawn for our bulbs while we moved house.

Each £12.00 (\$18.00), 3 for £33.00 (\$49.50)

**ORANGE WALK 3 W-OOY Mid-Late Kilworth x (Fairy Tale x Corofin)**

Forming a rounded double triangle, the smooth, glistening white petals of good substance and quality provide a superb backdrop for the ruffled shallow saucer crown of glowing orange with a golden brim. Tall stems carry the flowers well above the foliage, making it a good flower for the garden as well as the show bench. Seedling 79-25-D22.

Each £10.00 (\$15.00)

**QUIET WATERS 1 W-W Mid Stoke Charity x Panache**

Smooth, broadly ovate, snow-white petals make a rounded double triangle and the trumpet crown, expanding gently to a fluted brim, is icy white with a moss-green base. Good poise and a strong stem. A sister of Sheelagh Rowan but earlier, just a trumpet and differing in style; quietly elegant with a touch of frosty grandeur. Best Div 1 at Tonbridge in 1993. Was seedling 86-28-J35.

Sorry. Sold out for 1994

**SHEELAGH ROWAN 2 W-W Late Stoke Charity x Panache**

An elegant flower with wonderful quality and substance. The bell-shaped crown, slim at the base and expanding to a delicately rolled ruffle, is milk-white with a touch of sage at the throat. The petals, a shade whiter, are broad, flat and silken smooth and the foliage is strong and deep blue-green. Best Seedling at Tonbridge in 1988 & 1989 as 86-22-J35.

Sorry. Sold out for 1994

**STOKE CHARITY 2 W-W Mid Easter Moon x Rashee**

A lovely flower of great quality; almost every flower being of show standard. The glistening white petals are smooth, broad and overlapping, while the longish crown is a shade whiter with a sage-green eye. In some years it opens with a blush of pink and is the parent of some fine pink seedlings. The flowers stand well above strong blue-green leaves and the bulbs increase freely.

Each £3.00 (\$4.50)

**UNCLE DUNCAN 1 Y-O Early/Mid Fine Gold SP x Fine Gold SP**

The triangular petals, broad at the base, are mid-yellow, smooth and full of quality and substance. The elegant trumpet, expanding from a slender base to a gently rolled and fluted brim, is rich orange throughout with an apple-green throat. The flower is carried well on a short neck and sturdy stem and the bulb increases freely. Seedling 85-3-J19.

Each £40 (\$60)

**YOUR GRACE 2 W-W Late Easter Moon x Cloneen**

The long, smooth, slender petals are not curved at all, but sweep back strongly from the fluted goblet crown and the whole flower, except for its sage-green throat, is frosty white. Held well on a tall stem, it is an elegant, unusual flower with an aristocratic air. Seedling 87-81-K39.

Sorry. None for sale this year.

**XUNANTUNICH 2YYW-WWY Mid/Late Daydream x (Camelot x Daydream)**

With the same pedigree as Goff's Caye, but from an earlier cross, this more resembles Daydream, but the broad, slightly pointed petals are strong yellow with green undertones and the crown more trumpet in character with a lightly fluted, golden brim. In certain years the flower takes some time to reverse fully, but once it has, the contrast is striking. A quality flower with strong growth and good increase. Seedling 85-45-J19.

Each £25.00 (\$37.50)

## **AVAILABILITY**

We are sorry that some cultivars are either sold out or not available for 1994, but do not despair! If you would like one of these, we shall be pleased to put your name on the relevant waiting list and hopefully shall be able to supply you with a bulb in 1995 or 1996.

### ***ASSURANCE OF QUALITY***

Our aim is to provide top quality, healthy bulbs and we take the following measures to achieve this:

- During the growing season, stocks are sprayed regularly with fungicide and checked for health. Any diseased plants are destroyed.
- Stocks are given a Health Certificate inspection by M.A.F.F.
- All our bulbs for replanting are given Hot Water Treatment.

All bulbs offered for sale have been grown by us for at least two years.

### ***BUSINESS ARRANGEMENTS***

- \* Bulbs are offered subject to the crop being satisfactory and the bulbs being unsold when the order is received.
- \* As many stocks are small, orders should reach us by the beginning of July.
- \* Orders are executed in order of receipt; despatch starting in August.
- \* Substitutes are not supplied unless requested.
- \* To reduce administration costs, customers are asked to PAY WITH ORDER please. Value Added Tax is not charged.
- \* Postage & Packing:
  - Prepayment rate: £1.05 per bulb plus £1.50 per parcel of 16 bulbs, or part thereof.
  - Bulbs are sent Airmail 'Small Packet' rate, unless requested otherwise.
- \* Payment:
  - By STERLING cheque, draft, or International Money Order, please.
  - Customers paying by US dollar cheque are asked to add US \$9.00 to cover our costs of exchange.
- \* Exchange Rate: As a guide, prices have been converted to US dollars at a nominal rate of £1 = US \$1.50
